2. Economic Trends and Legislative Impacts

- 1. Reopening Ontario (A Flexible Response to COVID-19) Act July 24, 2020** – Act came into force to ensure health and safety measures remained in place after declared emergency ended. Measures include social distancing limits, facility or program closures and directly impact municipal operations
- 2. Proposed Provincial Blue Box Program Changes** – The Ministry of Environment Conservation and Parks released the new Blue Box recycling regulations on October 19, 2020. The proposed regulation would transition the municipal Blue Box program to producers between 2023 – 2025.
- 3. Official Plan 2014** – Markham Council in December 2013 adopted a new Official Plan which was approved by the Region of York in June 2014. The majority of the City-wide policies are in effect, with work continuing to resolve the remaining appeals. The Official Plan requires the preparation or update of a number of secondary plans and two are included in the 2021 Capital Budget.
- 4. Bill 197** – Municipalities will be able to recover 100% soft services development charges and collect up to 4% of a development's land value through a Community Benefits Charge to fund growth related costs. The Reinstated ability to collect up to the alternate rates for parkland dedication, justified through a DC background study, parkland study, parkland dedication by-law and a new community benefits charge by-law within 2 years
- 5. Accessibility** – The goal of the Accessibility for Ontarians with Disabilities Act is to make Ontario fully accessible. The City has submitted all required guidelines and reports based on compliance milestones and is on target for overall compliance by 2025.

3. 2021 Proposed Budget

3. 2021 Proposed Capital Budget

3. 2021 Proposed Capital Budget Funding Sources

Total \$103.2M (\$ millions)

BUILDING MARKHAM'S FUTURE TOGETHER 2020 – 2023 Strategic Plan
