Subject: Project # 22 262723

To Mayor Scarpitti and Councilors,

I oppose this project because:

It will destroy the natural habitat of the area.

The area is not designed for the volume of traffic and visitors the developers have described.

It will cause havoc for the surrounding neighbours, reduce property values and reduce the enjoyment of the currently peaceful neighbourhood.

Please do the right thing for the community and reject this project outright.

Thank you.
