BACKGROUND

Subject Lands and Area Context

The 2.02 ha (5 ac) Subject Lands are located on the south side of Highway 7 East and generally west of Main Street Unionville (and the Unionville Heritage Conservation District), and are currently occupied by the Shoppes of Unionville commercial plaza, as shown in Figures 1 and 2. Figure 3 shows the surrounding land uses.

Table 1 summarizes the Owner's Proposed Development

Table 2 summarizes the Owner's proposal to amend the 1987 Official Plan (the “1987 OP”) and the Markham Centre Secondary Plan (“OPA 21”) to permit the Proposed Development

The policies of the 2014 Official Plan state that until an approval of an updated secondary plan for the Regional Centre-Markham Centre lands, the provisions of the 1987 OP, as amended by OPA 21, shall apply to the Subject Lands.

Staff note that OPA 21 and the ongoing Markham Centre Secondary Plan (“MCSP”) update both identify a portion of the Subject Lands as being located within a Special Policy Area (“SPA”). Any change or modification to policies or designations within a SPA requires the approval of the Ministers of Municipal Affairs and Housing and Natural Resources. Re-development within the SPA may be permitted where it would not result in any intensification above and beyond existing Official Plan land use permissions. Given that the portion of the Proposed Development that is located within the SPA meets the requirements of OPA 21 and the MCSP Update, as identified in Table 2 below, the Proposed Development is exempt from Ministry approval.
