

Notice of Motion: Veterans Crosswalk

Whereas the City of Markham recognizes and honours the service and sacrifice of veterans and active members of the Canadian Armed Forces; and

Whereas many municipalities across Canada have introduced veterans-themed crosswalks as a visible symbol of gratitude and remembrance within their communities; and

Whereas such a crosswalk would provide a meaningful way to engage residents, promote awareness, and demonstrate the City's continued commitment to supporting those who have served our country;

Therefore be it resolved that:

1. Staff be directed to investigate the feasibility of installing a **Veterans Crosswalk** at a suitable location within the City of Markham, in consultation with relevant stakeholders; and
2. Staff report back to Council with potential design options, locations, cost estimates, and implementation timelines for consideration.
