**Friends of the Markham Museum, Directors’ Report**

September 18, 2019

New gate installed at the main north driveway. Key-pad/card-swipe installed.
New park at the north end of the site opened yesterday.
Front door of Mount Joy permanently locked due to some security issues over the summer.
Challenges over the summer with two full time staff with substantial time-off required.

**Programs:**
We had one of our best camp summers with a very strong summer camp team. Our new Science under the Big Top” Camp for 4-8 year olds got great reviews. We trialed a hot lunch program during 4 weeks of camp and based on the great feedback from parents we will be running it again next year for every week of camp. We are now prepping for a busy 10 weeks of camp in 2020.
The pottery studio was very busy with summer with the addition of Teen Wheel Throwing Camp. The camp instantly sold out with a large waitlist. We will be adding additional teen camps to our year round school break programming and for the summer of 2020.
This fall we are focusing more on Birthday Parties as we have noticed a drop in participants in some of our preschool public programs. We have freed up the space on weekends to allow up to three birthday parties per day on the weekends.
Program staff are tracking a potential job action with Ontario Education workers.

**Curatorial:**
Markham Moves is proving to be even more popular than Geared for Growing. News media as a result of the opening, increased awareness and visitor numbers.
MM hosted summer meeting of the York Durham Association of Museums and Archives
Summer staff:
- Fleming College intern – Kinnee Barn Enhancements to support simple machines schools program and create a permanent agriculture exhibition as recommended by our advisors during the collections review stakeholder meetings in 2017.

COLLECTIONS MANAGEMENT BRIEF
July 17, 2019

The Collections Management Committee met on July 17, 2019 for review of artifacts selected for accession to the collection of Markham Museum, that will be presented to the Friends of Markham Museum.

Artifacts for Discussion:
Members of the committee were presented by museum staff with a list of artifacts (Barkey Chest and “Favourite” Stevens Rifle) that are slated for accession. These assessed artifacts were discussed individually in detail by committee members and museum staff to ascertain that the items should be accessioned. The rifle does not require approval for accession.

Approval:
Motion by Bill Crothers, seconded by Jill Ten Cate that the Barkey Chest for accession be submitted to the Friends of the Markham Museum for approval. Motion carried.

Closing comments:
Thanks were expressed to the staff for the professional submittal of the archival material that was reviewed.

Collections Review will continue at our next meeting, scheduled for September 18, 2019.
- Two local students supported by YCW grants delivered bi-weekly object based programming for camps, maintained exhibitions and developed small outreach displays for the Civic Centre – Alma Walker: Queen of Markham presently on display will be followed by Godin: Musical Masters in 2020.

Events and Business Development:  
Applefest is the host for Markham 225, with free admission and programming after 4 p.m. A press conference was held at the Museum today. A highlight was the attendance of Anwar Knight of CTV News; he broadcast weather reports live from the Museum.  
Weekend events, primarily weddings, sold out at the beginning of the season, with only one wedding cancellation over the summer.  
We are currently investigating corporate events to keep rentals occurring from November to April. An event held with YELP proved that with unique programming, bookings all year are possible.  
Adult program research; Cynthia attended adult programming events around Markham and will put together some ideas/proposal for November/December.  
Scaryfest planning going well, marketing initiated.

Capital Programs  
1. HVAC system in Mount Joy, due to the complexities of the system and structure, took two years and three consultants to plan. Further complexities delayed work until after camp season. Install of new system is current and will be complete mid-October.  
2. Mini-Putt, Pavilion, Harness Shop delayed with the leave of Maintenance. Asset Management has assumed the projects. The Museum is greatly appreciative of the work that being done by Asset Management in Dan’s absence.  
3. Strickler Barn Structural repairs completed over the summer. It is now safe for people to enter  
4. Items from the Museum ‘poop’ budget include the cleaning of the saw mill, steam tractor shed, Strickler Barn and Harness Shop.

Ontario Museum Association
