**RECOMMENDATION:**

1. That the report titled “Committee of Adjustment Procedural By-law Amendment File #: PR 20 112899”, be received;
2. That Staff be directed to reconvene Committee of Adjustment meetings to consider applications utilizing electronic meeting participation;
3. That the amendment to Bylaw 2014-170 (A By-law to Establish a Procedure for the Committee of Adjustment of the City of Markham) as attached in Appendix ‘B’ be enacted and,
4. That Staff be authorized and directed to do all things necessary to give effect to this resolution.

**BACKGROUND:**

Section 238 of The *Municipal Act*, 2001, SO 2001, c. 25, as amended (the “*Municipal Act*”) requires all committees and local boards to adopt a procedural by-law to govern the calling, place and proceedings of meetings.

Although the City of Markham has adopted a general procedural by-law intended to apply to all municipal boards and committees, the Committee of Adjustment (the “COA”) is a special, quasi-judicial body operating at “arms-length” from City Council, and as such, has its own procedural by-law.

In 2014, Council adopted procedural by-law 2014-170, respecting the operation of the Committee of Adjustment.

Bill 187, *Municipal Emergency Act*, 2020

The Ontario Government passed Bill 187, *Municipal Emergency Act*, 2020, on March 19, 2020. Bill 187 provides municipal Councils with the ability to amend their procedural bylaws to set out alternative procedures to be followed during an emergency situation, when declared by the Province. The Bill permits municipal Councils to ensure that local decision making, to every extent possible, is not adversely affected during emergency situations. Amendments under Bill 187 were not required respecting the

Committee of Adjustment since the *Statutory Powers Procedure Act*, R.S.O. 1990, c. S.22, already authorizes tribunals, including the Committee of Adjustment, to hold meetings in person, electronically, or by written hearing.

*Planning Act* Notice Requirements

Regulations under the *Planning Act* offer two alternatives to provide notice of hearing for both Minor Variance applications and Consent applications.

In both cases, the Regulations give a municipality the option to satisfy the requirements of public notice requirement by:

- a) giving notice by personal service or ordinary mail to every land owner within a prescribed distance of the subject lands AND posting of notice on the subject lands clearly visible and legible from the public street; OR,
- b) publishing a notice in a newspaper that sufficiently circulates to the area surrounding the subject lands that would provide reasonable notice of the application.

**DISCUSSION:**

**Amendment to Bylaw 2014-170 (A By-law to Establish a Procedure for the Committee of Adjustment of the City of Markham) is required**

Markham's procedural by-law (Bylaw 2014-170) for the COA was enacted in 2014 (See Appendix 'A'). It sets out the procedures relating to the calling of meetings, administration, quorum, conduct of meetings, voting, and decision making powers.

Sections 2.1, 2.3 and 2.4 "Calling of Hearings", of the Procedural By-law state the following:

- 2.1 All hearings of the Committee shall be called by the Secretary-Treasurer, and notice of any hearing shall be given by pre-paid mail as well as posting of a notice sign, in accordance with the *Planning Act*.
- 2.3 A sign or signs, prepared by the City and providing notice of the public hearing, shall be placed on all properties subject to a Committee application in accordance with the *Planning Act* and section 2.4 if applicable.
- 2.4 In the case of a corner lot or such other lot with frontage on more than one public or private street, a notice sign as referred to in section 2.3 shall be erected on each street, in a location where it can be clearly seen from such street.

*Note: For clarity, Section 2.2 refers to the public availability of Committee agendas of at least five (5) calendar days prior to the scheduled meeting, and available through the City of Markham website. **This section is not proposed to be amended.***

The *Planning Act* provides for several methods of notice, including physical mail, on-site signage and, notice in local newspapers. During a state of emergency these methods may be amended to permit notice

through other means. During the current, or any possible future declared state of emergency, it may not be feasible or physically safe for a municipality to provide notice in accordance with the current practice that meets the requirements of the procedural by-law for the Committee of Adjustment.

In order to ensure the health, safety and well-being of the public, applicants and municipal Staff, it is recommended that Procedural By-law 2014-170 be amended to include the following new sections:

- 2.5 Notwithstanding 2.1, 2.3, and 2.4 above, during any period where an emergency has been declared to exist in all or part of the municipality under section 4 or 7.0.1 of the *Emergency Management and Civil Protection Act*, R.S.O. 1990, c. E.9, as may be amended or replaced, notice of any hearing may be given in accordance with the *Planning Act*, R.S.O. 1990, c. P.13 and its regulations, all as amended, and/or any by-laws, legislation, and/or regulations related to the declaration of an emergency, where appropriate.
- 2.6 Any modification to notice in accordance with section 2.5 above shall be authorized by the Commissioner of Development Services or designate.
- 2.7 Notwithstanding Section 2 above, during any period where an emergency has been declared to exist in all or part of the municipality under section 4 or 7.0.1 of the *Emergency Management and Civil Protection Act*, R.S.O. 1990, c. E.9, as may be amended or replaced and where permitted by law, the Committee may issue a direction related to the provision of notice for a hearing, but may not allow for no notice of a hearing to be issued.
- 2.8 Nothing in this by-law shall prevent the holding of a meeting of the Committee of Adjustment after a declaration of emergency has been lifted, where notice of the meeting was provided in accordance with section 2.5 or 2.7.

Section 3.1 “Location of Hearings” of By-law 2014-170, states the following:

- 3.1 The location of all hearings of the Committee shall be identified on the notice of hearing referred to in Section 2.1.

Staff propose the following revision to section 3.1 to ensure the location of hearing is included in all notice:

- 4.1 The location of all hearings of the Committee shall be identified on the notice of hearing referred to in Section 2.

Section 5.1 “Quorum” of By-Law 2014-170, states the following:

- 5.1 A minimum of three (3) members of the Committee shall be present to constitute a quorum.

While Section 5.2 of the *Statutory Powers Procedure Act* currently authorizes Committee of Adjustment to hold meetings electronically, Staff are proposing the following amendment to ensure clarity in conforming with the requirements of quorum.

- 5.1.1 Notwithstanding 5.1, a member of the Committee who is participating electronically in a meeting may be counted in determining whether or not a quorum of members is present at any point in time, in accordance with the *Planning Act*, *Statutory Powers Procedure Act* and *Municipal Act*.

Section 6 “Conduct of Meetings” in By-law 2014-170 describes in detail, the conduct of meetings in accordance with the *Planning Act*, and other policy directives of the City. Staff have provided further clarification that meetings shall be held in accordance with the *Statutory Powers Procedure Act*. Staff are further proposing the addition of Section 6.12, authorizing meetings held through written means.

- 6.12 Notwithstanding 6.2 to 6.11 inclusive, all or portions of meetings in accordance with this By-law may be held through written means, as determined by the Committee.

- (1) Should the Committee wish to hear an application through a written hearing,
- a. the Committee may make rules or issue directions with respect to the written hearing setting out:
    - i. the timelines for the submission of materials by the applicant;
    - ii. the posting of those materials online at [www.markham.ca](http://www.markham.ca) for public review;
    - iii. the timeline for the submission of materials by any person or party in support or opposition to the application;
    - iv. the timeline for reply submissions by the applicant.
  - b. After the matters set out in subsection (a) are complete, the Committee may make rules or issue directions with respect to the written hearing setting out:
    - i. the deliberation of the application by the Committee members;
    - ii. voting on the application by the Committee; and
    - iii. the issuance of a decision by the Committee.

Section 8 “Decisions of Committee” of By-Law 2014-170, describes the methods by which the Committee of Adjustment provides notice of decision to interested or affected parties.

- 8.4 Notwithstanding 8.2 and 8.3, during any period where an emergency has been declared to exist in all or part of the municipality under section 4 or 7.0.1 of the *Emergency Management and Civil Protection Act*, all decisions shall be prepared and posted on the City of Markham’s website, and may provide notice of such decision by electronic means to the applicant and each person or public body required in accordance with Section 45(10) or 53(17) of the *Planning Act*, as amended.

- 8.4.1 In accordance with Section 8.4, any person who wishes to be provided notice of a decision by the Committee shall provide an electronic mail (e-mail) address to provide service. Any person who refuses to, or otherwise does not provide an e-mail address to the Secretary-Treasurer shall be deemed to have withdrawn a request for notice of the decision of the Committee.

While it is not anticipated that the COA will hold meetings through written means as a matter of course, it provides additional flexibility which may be needed during the current emergency or possible future emergencies that may affect the operation of the COA. The proposed Section 6.12 also supports the City’s Business Continuity Plan.

**CONCLUSION:**

The proposed amendments will clarify procedures should the COA wish to hold digital or written meetings. The amendments will further ensure that notice will continue to be provided as required pursuant to the *Planning Act*, *Statutory Powers Procedure Act*, *Emergency Management and Civil Protection Act*, or any other Act or Regulation enacted as a temporary measure during this, or any future declared emergency.

The current practice of the COA is to provide notice earlier, and at a greater circulation distance than what is required under the *Planning Act*. COA Staff provide agendas, Staff memos, and copies of submitted documents on the City's website prior to meetings. To enhance any notice provided under the current declared emergency, COA Staff will provide notice to the local Ward Councillor via email to allow further distribution via email to any residents groups or mailing list deemed appropriate by the Ward Councillor. COA Staff will further seek opportunities to post notice on the City's website.
