

MEMORANDUM

TO: Heritage Markham Committee

FROM: Regan Hutcheson, Manager-Heritage Planning

DATE: December 9, 2020

SUBJECT: Jason McCauley

Current member of Heritage Markham Jason McCauley died on November 22, 2020 after a brief battle with cancer. He was 53 years old. See attachment for additional information.

Background

- Jason was appointed to the Heritage Markham Committee by Council in February 2020.
- Prior to joining the Heritage Markham committee, Jason was a member of Council's **Main Street Markham Committee** for a number of years.
- During his tenure on both of these committees, the City benefitted from Jason's expertise and knowledge related to his work experience in development projects and architectural design.

Suggested Recommendation for Heritage Markham

THAT the Heritage Markham Committee extends its condolences to the family of Jason McCauley, and acknowledges his dedicated volunteer commitment in serving the Markham community and his expertise and knowledge in helping to protect and preserve Markham's cultural heritage resources.

Jason Edwin McCauley

Friday, December 30th, 1966 - Sunday, November 22nd, 2020

Jason "Jase" Edwin McCauley passed away peacefully in his 53rd year at Markham Stouffville Hospital after a brief battle with cancer. Loving Husband to his wife Alexandra and proud father to his son Connor. Jason is survived by his parents Wayne and Anne and his brother Grant. Jason will be missed by his nephews, niece, cousins, aunts, uncles, grandmother, in-laws, co-workers and dear friends. Jason was a career architect who was very proud of the many developments that he contributed to across the Toronto area as well as across North America. Jason was also an artist and a painter who could transform a blank canvas or an old object into a beautiful and new decorative work of art. Special thanks to the staff at the Oncology Unit and the ICU at Markham Stouffville Hospital for all their assistance and compassion during this time. Due to the current situation, a memorial of Jason's life will occur at a later date. In lieu of flowers, please consider donating to the Canadian Cancer Society or to Markham Stouffville Hospital.
