Dear Chairman and Members:

Re: Development Services Meeting, May 25, 2021 – Item 10.3
Lands located on Hwy 7, west of Reesor Rd. – M4 Conversion Request

I am writing on behalf of 2432194 & 2536871 Ontario Inc., the owners of lands located on the north side of Hwy 7, west of Reesor Rd. We have reviewed the Staff Report entitled "Recommendations Regarding Referred Markham Employment Conversion Requests – 2041 Regional Municipal Comprehensive Review". We are writing specifically with respect to recommendation 5 of the report which recommends a further deferral of our request for conversion. We are in full support of the deferral recommendation. We look forward to continued discussions with City staff as it relates to these lands.

Yours truly,
