This report is required by the Ministry of the Environment, Conservation and Parks (MECP) Drinking Water Quality Management Standard (DWQMS).

BACKGROUND:

As per Element 20 of the DWQMS, under the Safe Drinking Water Act (SDWA), 2002, Top Management of the Operating Authority is required to report the results of the Management Review to the Owner on an annual basis. Top Management met on April 30, 2021 to review system performance for the time period of July 1 to December 31, 2020, and to confirm the adequacy, suitability and effectiveness of the QMS. The Commissioner of Community & Fire Services role continued to be vacant as of April 30,

2021 and the management review meeting was conducted with the other Top Management members present. Morgan Jones was appointed to the new Commissioner of Community Services role effective as of May 10, 2021 and he reviewed the outcome of the management review.
