To whom it may concern,

My name is Sam Markovski ...I've lived at 232 Main Street for almost 25 years.

I've lived in Unionville all my adult life. I've played hockey at Crosby Arena in the

U.M.H.L since the 80 's . Baseball ... etc.

I've worked in Commercial R.E for 36 years with Peter L. Mason and J.J. Barnicke.

I've never had a by-law issue and always respected my "privilege " to be lucky

enough to live on this incredible slice of our Country.

I've always kept my head down and tried to be respectful of my neighbors.

Until now ... !

I live directly across the street from Mr . Ross at 233 Main .

and have no relationship with him ...at all ...only as neighbors .

I've never had an issue with Mr.Ross ...until a few weeks ago .

The trees that Mr. Ross cut down ( 100 yr.old) trees. Some of those trees ...

tons and tons of those trees ...ended up in my neighbors backyard.

If you are all familiar with the historical wetlands boundary. According to the

Conservation Authority . You'll know that my property is located in a protected area .

To the point... I've experienced 4 major floods on my property. What Mr. Ross was

doing was loading floating " literally" ... projectiles... that had no other place

but to end up in my backyard.

I saw this and confronted Mr Ross and he ignored me.

This ...transfer ...of Mr. Ross's garbage continued..

Until our last "conversation " again I asked Mr. Ross ..."are you kidding me " ?

Mr. Ross puffed out his chest and walked toward me. ...

That was a mistake...on Mr Ross's part.

If ,Council thinks that Mr. Ross is building a ice pad for his son Sammy ?

(Yup same name as me. ) Council should have been living directly across the street  
from Mr. Ross for the last 10 years.

Lady's and Gentleman...he's on line ...promoting his hockey school !

Aside from the fact that he blasts "pornographic rap music " that can be heard  
in Richmond Hill . Spitefully! Only to bother his neighbors! I ignored it ..I .turned a  
blind eye ...

Until now !

Why should this individual be able to do as he pleases? When we all respect the law.

Why should Mr.Ross be allowed to terrorize his neighbors, disrespect by- laws .

Cut down 100 yr old trees ... and still puff his chest out ...like a deranged rooster. ??

When the entire community... my community has bonded together...to respectfully  
oppose.

Please do the right thing.

Sam Markovski
