RECOMMENDATION:

1. That the report titled 'Information Report Third Quarter Update of the Street and Park Name Reserve List', dated October 12th, 2021, be received;
2. That Council approve the revised Street and Park Name Reserve List set out in Appendix 'A' attached to this report.
3. And that Staff be authorized and directed to do all things necessary to give effect to this resolution.

PURPOSE:

This report provides a quarterly update of the Street and Park Name Reserve List for the third quarter of 2021.

BACKGROUND:

The Director of Planning and Urban Design has the delegated authority to assign street names from the City's street and park name reserve list to draft plans of subdivision, subject to staff providing the Development Services Committee with a quarterly updated street and park name reserve list indicating newly proposed street names, for approval. The City also has a separate Policy for applying the names approved through this report process to City Parks.

OPTIONS/ DISCUSSION:

A revised street and park name reserve list is attached as Appendix 'A' to this report. It includes all previously approved names that are either still available for use, or have been reserved, but not used. Additional names proposed during the third quarter of 2021 are indicated in the "New Additions" column. Certain names have been deleted from the previous list to reflect names taken from the reserve list and applied to new streets through recent plan registrations and park naming processes. The origin of names in the reserve list is indicated in the "Source" column. The general locations of names are identified in the "Ward" column when known.

Below, is a "quick reference" noting the street and park names that were added to the Street and Park Name Reserve List during the third quarter of 2021.
