Parks	3.03 ha (~36% encumbered)	5.04 ha (~62% encumbered)
Civic Uses	1 school 1 library + 1 community centre	1 school 1 library/community centre

# Bridge Station TOC Proposal - Phasing

## Staff Recommendations

1. That the report titled “City Comments on Provincial Bridge Station Transit Oriented Community Proposal, (Ward 1)” be received
2. That the City does not support the Bridge Station Transit Oriented Community (TOC) proposal as currently proposed

## Staff Recommendations

3. That the City request the Province to revise the Bridge Station TOC Proposal to address the matters outlined in this staff report and in particular the following:
  - a) Align the Bridge Station TOC Proposal with the vision of the Langstaff Gateway Secondary Plan to create a complete and sustainable community
  - b) Comprehensively plan for the entire Langstaff Gateway Secondary Plan area
  - c) Correct the imbalance of land uses by achieving a jobs to residents ratio of closer to 1:2 as outlined in the Langstaff Gateway Secondary Plan

## Staff Recommendations

3. That the City request the Province to revise the Bridge Station TOC Proposal to address the matters outlined in this staff report and in particular the following:
  - d) Provide a minimum of 6 hectares of parkland and confirm that Bridge Park is financially and technically feasible
  - e) Provide a minimum of one library at 2,415 m<sup>2</sup> and one community centre at 4,273 m<sup>2</sup> to serve the community

## Staff Recommendations

3. That the City request the Province to revise the Bridge Station TOC Proposal to address the matters outlined in this staff report and in particular the following:
  - f) Confirm the appropriate amount of space required for schools with the York Region District School Board, York Region Catholic School Board, Conseil scolaire Viamonde, and Conseil scolaire catholique MonAvenir
  - g) Engage with the City to meet the 35% target for affordable housing as established in the Langstaff Gateway Secondary Plan

## Staff Recommendations

3. That the City request the Province to revise the Bridge Station TOC Proposal to address the matters outlined in this staff report and in particular the following:
  - h) Revise the Transportation Plan to comprehensively plan for the entire Richmond Hill Centre/ Langstaff Gateway Urban Growth Centre and account for the change in the subway location, significant increase in travel demand from the population increase and reduced opportunity for local travel due to the low ratio of non-residential uses proposed

## Staff Recommendations

3. That the City request the Province to revise the Bridge Station TOC Proposal to address the matters outlined in this staff report and in particular the following:
  - i) Provide a detailed Phasing Plan for the City's review that appropriately aligns development with the delivery of subway, transportation, infrastructure and civic uses (such as schools, parks and community amenities)
  - j) Provide information on how automated vacuum waste system (AVAC) and District Energy can be accommodated

## Staff Recommendations

4. That the City request the Province to provide details regarding the financial framework for the Bridge Station TOC proposal
5. That the City request the Province to consult with appropriate external agencies, including, but not limited to: Toronto and Region Conservation Authority, Canadian National Railway, and 407 ETR
6. That the Ministry of Municipal Affairs and Housing be requested to consult with the City of Markham should a Minister's Zoning Order be considered for the Bridge Station TOC lands

## Staff Recommendations

7. That Council direct staff to continue working with the Province and Region to align the vision of the Bridge Station TOC with the Langstaff Gateway Secondary Plan through *Planning Act* implementation tools (e.g. plan of subdivision, site plan) and other mechanisms, including potential agreements with participating parties
8. That the City Clerk provide a copy of this resolution and report to the Ministries of Infrastructure, Municipal Affairs and Housing, and Transportation; and Infrastructure Ontario, as well as York Region and the City of Richmond Hill

## Staff Recommendations

9. That Staff be authorized and directed to do all things necessary to give effect to this resolution
