

MEMORANDUM

TO: Heritage Markham Committee

FROM: Regan Hutcheson, Manager-Heritage Planning

DATE: March 9, 2022

SUBJECT: Training Session - Appropriate Additions to Cultural Heritage Resources

Project: Appropriate Additions to Cultural Heritage Resources

Background:

- Each of the Markham heritage conservation district plans has policies and guidelines providing direction on how best to provide additional floor space to a heritage property;
- The Markham Official Plan also provides guidance on this subject.

Status/ Staff Comment

- Heritage Section staff will provide a brief illustrative overview of the key principles/policies/guidelines as a refresher for Heritage Markham members to assist in the future review of development applications affecting cultural heritage resources.
- This is part of our ongoing training/educational sessions we have been offering to members. To date, staff has provided the following sessions:
 - Incorporating Cultural Heritage Resources in New Development
 - Appropriate Infill Development in Heritage Conservation Districts
- If members have other topics of interest, staff will endeavour to address them in future sessions.

Suggested Recommendation for Heritage Markham

That Heritage Markham Committee receive the training presentation on appropriate additions to cultural heritage resources.
