To Our Councilor Reid McAlpine (Ward 3), Our Mayor Frank Scarpitti
and the City of Markham,

As a resident of Carlton Road, Unionville, I oppose the proposed Sidewalk Construction plan for the north side of Carlton Road between Warden Ave and Braithwaite. I feel this planned sidewalk is disruptive, destructive, unnecessary, and a costly waste of taxpayer funds, and will result in the degradation of our properties, and the natural landscape within these.

I hereby sign this petition in opposition of the aforementioned plan.
