I am a resident of the condominium building at 68 Main Street. I am also the President of the Board of Directors and we are strongly against this event happening on August 13. Residents live directly above Den Three Sixty and would be subjected to loud music until midnight or later. This location is not a good place for this event, due to the fact that residents will be negatively impacted by the noise.

Please do not allow a special permit to be issued. Thank you for your consideration.
