Hello,

I'm not sure if my comments relate specifically to the 31 townhomes to be built on Kennedy Rd., or if I am sending an email to the right person, but since one of comments in the prior meeting concerned the extra traffic on Lee Ave., I would like to ask one question. Is it possible to expedite the construction of the sidewalk on Lee Ave so that people will have an extra layer of protection from the extra traffic as they walk on Lee Ave.?

Thank you,
Tino
