CREDITS, EXEMPTIONS, RELIEF AND ADJUSTMENTS NOT CUMULATIVE

- 9. Only one (1) of the applicable credits, exemptions, reductions or adjustments in this by-law shall be applicable to any **Development** or **Redevelopment**. Where the circumstances of a **Development** or **Redevelopment** are such that more than one credit, exemption, relief or adjustment provided for in this by-law could apply, only one credit, exemption, relief or adjustment shall apply and it shall be the credit, exemption, relief or adjustment that results in the lowest **Development Charges** payable pursuant to this by-law.

TIMING OF CALCULATION AND PAYMENT

- 10.
 - (1) A **Development Charge** for each **Building** or part thereof shall be calculated and payable in full in cash or by certified cheque or by entering into an agreement for the performance of work for credit, on the date of execution of the subdivision, or consent agreement in relation to such **Building** on land to which a **Development Charge** applies.
 - (2) Notwithstanding subsection 10(1) above, at the option of the payor, the applicable **Development Charge** may be paid, based on the **Development Charge** rate in effect on the date of agreement execution, as follows:

The latter two installments shall be fully secured by a letter of credit on the date of agreement execution.
 - (3) Where no subdivision, site plan or consent **Agreement** is required, the **Development Charges** for each **Building** shall be calculated as of the date of the issuance of a **Building Permit** and shall be payable and collected as of the date a **Building Permit** is issued in respect of the **Building**.
 - (4) Where **Development Charges** apply to land in relation to which a **Building Permit** is required, the **Building Permit** shall not be issued until the **Development Charge** has been paid in full.

- (a) in the case of **Residential Development**, the difference between the **Net Hectares** for which **Building Permits** have been and are being issued and the **Net Hectares** for which payments have been made pursuant to subsections 10(1) and 10(2) and this subsection; and
 - (b) in the case of **Non-Residential Development**, the difference between the **Net Hectares** used or intended to be used for a **Non-Residential** purpose for which **Building Permits** have been and are being issued and the **Net Hectares** used or intended to be used for a **Non-Residential** purpose for which payments have been made pursuant to subsections 10(1) and 10(2) and this subsection.
- (6) Subject to subsection 10(7), if following the issuance of **Building Permits** for all **Development** in a subdivision or for all **Development** on a block within that subdivision for which payments have been made pursuant to subsection 10(1) and 10(2), the total **Residential Net Hectares** for which **Building Permits** have been issued, or the total **Non-Residential Net Hectares** used or intended to be used for a **Non-Residential** purpose for which **Building Permits** have been issued, is less than that used for the calculation and payment referred to in subsections 10(1) or 10(2), a refund shall be payable by the City to the person who originally made the payment referred to in subsection 10(1) and 10(2) which refund shall be calculated by multiplying the applicable **Development Charges** in effect at the time such payments were made by:
 - (a) in the case of **Residential Development**, the difference between the **Net Hectares** for which payments were made pursuant to subsection 10(1) and 10(2) and the **Net Hectares** for which **Building Permits** were issued; and
 - (b) in the case of **Non-Residential Development**, the difference between the **Net Hectares** used or intended to be used for a **Non-Residential** purpose for which payments were made pursuant to subsection 10(1) and 10(2) and the **Net Hectares** used or intended to be used for a **Non-Residential** purpose for which **Building Permits** were issued.
- (7) Subsections 10(4) and 10(5) shall apply with necessary modifications to a **Development** for which **Development Charges** have been paid pursuant to a condition of consent or pursuant to an agreement respecting same.

The terms of such **Agreement** shall then prevail over the provisions of this By-law.
- (9) Any refunds payable pursuant to subsection 10(6) shall be calculated and paid without interest.
- (10) Where clause (1)(a) or (1)(b) of Section 26.2 of the Act applies to a development for the purposes of determining the amount of the development charge, the development charge payable under this bylaw shall be determined in accordance with section 26.2 and such development charge shall be subject to interest in accordance with the City's Interest Policy, as may be amended by City Council.

Notwithstanding anything in this by-law to the contrary, whenever a credit, exemption, relief or adjustment is allowed against a **Development Charge** otherwise payable pursuant to this by-law and the amount of such credit(s), exemption(s), relief or adjustment(s) exceeds the amount of the **Development Charges** otherwise payable pursuant to this by-law, no further credit(s), exemption(s), relief or adjustment(s) shall be allowed against any other **Development Charges** payable and no refund shall be payable.
