EXPLANATORY NOTE

BY-LAW 2022-____

A By-law to amend By-law 1229, 11-72, 122-72, 134-79, 304-87, and 177-96, as amended

UNIONVILLE SPECIAL POLICY AREA BOUNDARY UPDATE

Background

The City of Markham has one Special Policy Area in Unionville to manage historic development within the flood plain of the Rouge River and its tributaries. The Unionville Special Policy Area was established in 1990 through Official Plan Amendment No. 100 to the 1976 Official Plan and implemented through by-laws 162-90, 163-90, 164-90, 165-90 and 203-92. The Unionville Special Policy Area boundary was updated in 2006 through by-laws 2006-150, 2006-151, 2006-152, 2006-253, 2006-154 and 2006-155. This amendment will update the Special Policy Area boundary to reflect flood plain changes identified by the TRCA in 2019.

Lands Affected

The proposed by-law amendment applies to lands within the flood plain of the Rouge River and its tributaries generally bounded by Birchmount Ave to the west, Highway 407 to the south, Carlton Road to the north and McCowan Road to the east.

Purpose and Effect

The purpose and effect of this By-law is to delete the current Special Policy Area schedules and to replace it with a new schedule to show the updated Special Policy Area boundary.

Note Regarding Further Planning Applications on this Property

The *Planning Act* provides that no person shall apply for a minor variance from the provisions of this by-law before the second anniversary of the day on which the by-law was amended, unless the Council has declared by resolution that such an application is permitted.
