

THE CENTRE FOR DIGNIFIED LIVING
ANSWERING THE NEED

- Provide Supportive Housing to **Seniors, Persons with Disabilities, their Caregivers, and Women & Children fleeing Domestic Violence**, in an affordable setting
- Promote Community Inclusion, Personal Growth, Independence and Living with Dignity
- Represent the Canadian mosaic of multi-culturalism amongst its residents and actively support their cultural, spiritual and culinary preferences.
- Encourage engaged living by adopting the principles of Person Centered Care. It advocates an environment where residents share a joyful and engaged life in a safe and a healthy setting. It means on site medical clinic, art shop, an eatery called 'The Tiffin', day programming for seniors and the disabled, a community centre and serving as an institution for innovative studies on progressive urban living.
- A project which will showcase an exemplary expression of benevolent partnership amongst Philanthropists, Public and Federal, Provincial and Municipal Governments. We are a member of the Intentional Community Consortium, led by Reena, a NFP charity organization. The consortium allows all 16 member organizations to mentor and guide one another towards a better future for the needy in our communities across Canada.
- It will require One and a half acres of land.
