

# **Streamline Development Approval Fund Project - GIS Interface for Development Applications**

**Development Services Committee  
January 17, 2023**

## Streamline Development Approval Fund

- January 2022, Province announced \$45 million to help large municipalities approve development faster
- Funding for development approval initiatives, such as:
  - a) e-permitting systems
  - b) identifying process efficiencies
  - c) online application portals
- Markham offered up to \$1 Million

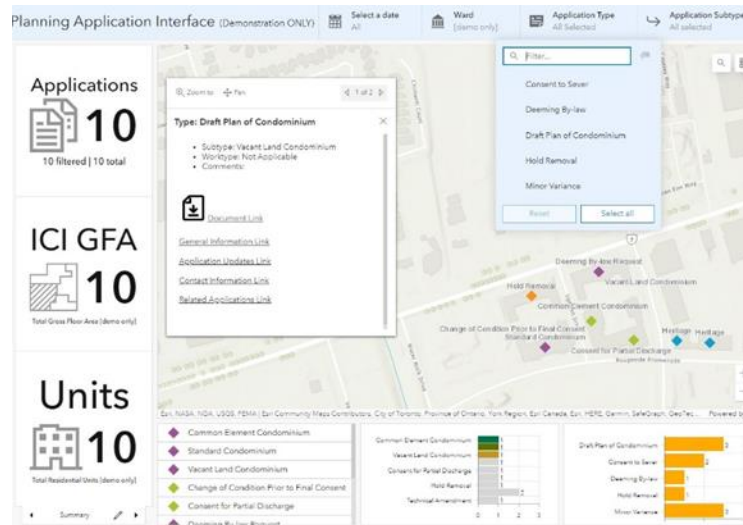

## GIS Interface

### Project Description

- A GIS City map with development application information available to the public (unit counts, area, building heights)
- Display applications by type and year
- Includes supporting documentation (e.g. studies, site plan, drawings)
- Increases transparency and confidence in the development application process

### Status update

- Interface is in the Beta release
- Completing the 'About' Tab
- Launch date January 31, 2023

## Staff Recommendation

- 1) THAT the presentation titled, “Streamline Development Approval Fund Project – GIS Interface for Development Applications”, be received; and
- 2) THAT Staff be authorized and directed to do all things necessary to give effect to this resolution.
