AVENUE) (16.11)

FILE NUMBER:

B/005/22

Extracts:

R. Hutcheson, Manager, Heritage Planning

E. Manning, Senior Heritage Planner

Evan Manning, Senior Heritage Planner, provided a brief overview of the application, noting that the property is currently listed but not designated under the Ontario Heritage Act. Mr. Manning displayed images of the proposed lot configuration, noting that the proposed lot size for the retained heritage building generally conforms to those of adjacent heritage properties. Mr. Manning provided an overview of the staff recommendations, noting the suggested approval conditions, including designation under Part IV of the Ontario Heritage Act and securing a Heritage Easement Agreement.

The Committee discussed the side-yard setback of the severed lot from Royal Albert Street and the desire to maintain an appropriate setback. The Committee noted that once the severance is approved, the Committee would no longer have the ability to make recommendations as to development of the severed parcel as it is not located within a heritage conservation district. The Committee also noted that a limited rear yard setback may adversely impact mature trees located on the severed parcel. Mr. Manning advised that the proposed site plan indicates a 7.5M side yard setback from Royal Albert Street.

Recommendations:

THAT Heritage Markham has no comment from a heritage perspective on the consent application for 10729 Victoria Square Blvd;

THAT Heritage Markham supports designation of 10729 Victoria Square Blvd under Part IV of the Ontario Heritage Act and the entering into a Heritage Easement Agreement with the property owner as a condition of consent approval to ensure the long-term conservation of the heritage resource;

AND THAT review of any future development or major heritage permit applications for the retained and severed lots be delegated to Heritage Section staff provided that the proposed alterations do not adversely impact the cultural heritage value of 10729 Victoria Square Blvd.

Carried

6.2 ZONING BY-LAW AMENDMENT APPLICATION

MINOR ZONING BY-LAW AMENDMENT
FUTURE SEVERANCE AND CONVEYANCE FOR A NEW RESIDENTIAL
LOT
25 SPRINGDALE AVENUE, MARKHAM VILLAGE (16.11)

FILE NUMBER:
22 25755 PLAN

Extracts:

R. Hutcheson, Manager, Heritage Planning
E. Manning, Senior Heritage Planner

Evan Manning, Senior Heritage Planner, provided a brief overview of the of the proposed minor zoning by-law amendment to permit a future severance of the property. Mr. Manning noted that this property is not located within the Markham Village HCD and advised that the applicant, through future development and building permit application submissions, wishes to remove the existing mid-century dwelling, sever the lot, and construct two new dwellings.

The Committee sought clarification on the second recommendation which delegates approval of minor zoning by-law amendment and consent applications on properties adjacent to cultural heritage resources to Heritage Section staff and a member suggested that this recommendation be placed on the next Heritage Committee agenda for a separate vote and discussion.

Recommendations:

THAT Heritage Markham has no comment from a heritage perspective on the Minor Zoning By-Law Amendment application for 25 Springdale Avenue;

AND THAT Heritage Markham delegate review of future Minor Zoning By-law Amendment and Consent applications on lands considered *adjacent to cultural heritage resources* to Heritage Section staff provided that the Ward Councillor has no objection to the proposal from a heritage perspective.

7. PART FIVE - STUDIES/PROJECTS AFFECTING HERITAGE RESOURCES - UPDATES

7.1 REGISTER DESIGNATION PROJECT 2023-2024 - UPDATE

Extracts:

R. Hutcheson, Manager, Heritage Planning

Regan Hutcheson, Manager, Heritage Planning, provided a brief update on the designation of listed properties as a result of Bill 23. Mr. Hutcheson reminded the Committee that if listed properties are not designated under the Ontario Heritage Act by 2024, they would be removed from the register for 5 years. Mr. Hutcheson introduced Evan Manning, Senior Heritage Planner, to provide further information.

Evan Manning, Senior Heritage Planner, advised that there are over 300 listed properties within Markham and that in an effort to expedite the process, Heritage Section staff created a ranking system to categorize properties as low, mid, or high priority based on their cultural heritage value, advising that cemeteries, demolished properties, and barns were removed from the list. Mr. Manning advised that a researcher has been retained to prepare statements of significance for properties that staff have deemed worthy of designation, and that the first batch of proposed designations will be brought to Committee at the next meeting, after which they will be brought to Council.

The Committee provided the following feedback:

- Requested clarification on the removal of barns from the list of ranked properties. Mr. Manning clarified that properties exclusively containing barns have been removed, but noted that properties containing a farmstead and associated agricultural outbuildings appear on the ranked list.
- Inquired if additional meetings or a working group would be required to accomplish the necessary designations within the required timeframe. Mr. Hutcheson confirmed that this could be considered depending how long it takes to consider the first batch of designation recommendations at the next meeting.

Recommendation:

That Heritage Markham receive the update on the Register Designation Project 2023-2024 as information
