Attn: City of Markham:

Letter of Objection

This is confirm that we are the owners of Property (54) Lee Ave. We are against the project of building a sidewalk on Lee Ave. for the reason that this is a quiet street and neighbourhood with the low volume and speed of vehicular traffic. The street is safe for the pedestrians and we and our neighbours do not need a sidewalk. The money would be more wisely used elsewhere. Please reconsider the project!

Sincerely,

John Zhang
