

**Say "No" to PLAN 22 249 Development Proposal of 13 Story
Apartment Building**

<https://chnq.it/6Lhn4VJhRs>

Nicole O'Neil started this petition

Dear Neighbours,

The city of Markham has received an application to build a 13 story apartment building for a total of 146 new residential units where three commercial units now exist (2 Wignall Crescent and 5871 & 5873 Highway 7)

The development as currently proposed does not make our community better. This application contradicts the usage of the land as it was intended within an established community. This application would destabilize the neighbourhood by simultaneously increasing the population and traffic in the area beyond what is permitted. A residential building of this size will alter the character of our neighborhood, overburden infrastructure, necessitate reviews to existing school districts and lead to increased traffic in an already significantly congested section of Highway 7 and Markham Road.

I urge you to be mindful of all the additional detrimental effects that accompany the proposed development, most notably, disrupting nearby ecosystems and wildlife, and defiling the character of the neighbourhood we chose to call home.

I am opposed to this application and intend to fight it. You, too, have an opportunity to express your position on this application. Your participation in this process is meaningful and impacts the future of our community. Sign the petition to have your voice heard!

Thank you for your support!

Nicole O'Neil

Please DO NOT ruin this beautiful area with this type of development. Keep this area low density housing to preserve the heritage and beauty of the area.

Paul Thomas

Dec 30, 2022

My name is Paul Thomas. I do not endorse this deal. Furthermore, I believe it will stop the sunlight in Hwy 7 as I ride my bike to Home Hardware to get my free popcorn, free water cooler water and bbq cleaning advice. If this building does get constructed, I sure hope I will meet my soul mate this time instead of my last adventures with the single women from Amica/Swan Lake. I was so tired of eating dinner at 3pm

Developers are trying to build on every scrap of land that they set their sites on. They're like water trying to fill every gap. Highway 7, right there, is already very busy. Behind, is a residential neighbourhood that does not have the road infrastructure to absorb overflow of traffic nor would the residents want that...

A building of the proposed size will disturb the peace and balance of the neighbourhood on many counts. In addition to furthering traffic congestion, adding so many residents to the area will place pressure on current facilities and infrastructure.

Dec 30, 2022

Are the planners complete Idlots? There's already insane traffic because of that one lane only going north, between Hwy 7 and 407. Now a high rise in the same area is a thought? Get your heads out of your ...

This is not an appropriate location for this type of structure. It would greatly infringe upon the houses that are in this location.

Brenda Winters

Dec 30, 2022

We already have enough gridlock and we don't need any more high rise high density buildings to destroy the esthetics of our town and surrounding nature. What ever happened to architectural protection and design for our town?

Dec 30, 2022

I'm very concerned about the unprecedented large size of this building and how it will negatively impact the already overtaxed infrastructure.

Dec 30, 2022

This is a residential neighborhood. I moved here because there were no high rises. Traffic would be increased with no infrastructure to support. Not the place for a high rise!

Aug 25, 2022

As someone who runs a business currently in that location...I desperately would like to not lose this location as myself and my clients are happy here! Many other businesses in that small pocket as well. No way would a large condo fit into that community. Not to mention, HWY 7 is congested enough.

Sona Rai

Aug 22, 2022

This would completely disturb the beauty and peace of surrounding neighbourhoods. Change is nice, but not here. Please preserve some of Markham's loved and known heritage by not sticking tall buildings as and where you please.

Aug 22, 2022

the beautiful heritage area at the west end of the short 'Old Wellington Street' will be spoiled for ever by this monstrous structure.

It will loom large over heritage homes invading privacy that existing residents have enjoyed unquestioningly all this while. How would you feel if a similar structure was raised outside your home. West exiting traffic will, per force, go through the narrow and circuitous inner streets to a safe traffic-lit intersection on Grandview, as turning left on Hwy 7 is nightmarish as is, and impossible during rush hour. This will pose serious and potentially fatal danger to the venerable seniors, the rapidly aging middle aged, and the caring younger residents out walking their beloved kids or pets in these non-side-walked streets.

In the recent past, one such beloved pet dog was run over and killed on the intersection of Wignall and McPhillips by an unmindful and speeding driver.

Almost all cars using Wignall as a through-way to circumvent Northbound Markham & HWY7 west bound are similar in fashion. They have disdain for the STOP sign there and seldom even slow down. Such an abominable development will also allow open up prospects for other properties along this stretch to create similar monstrosities.

For heavens sake, preserve the quaint, or else it will be lost for ever. If there is even one accident on the inner roads, you will have to answer at the Pearly Gates.

There is enough high rise development happening elsewhere in Markham and unfortunately along Hwy 7. Please prevent further conversion of the signature Trans Canada Hwy into a Trans Canada Parking Lot. The onus is on you, our designated representatives, to preserve and protect for the future.

Aug 16, 2022

As a frequent visitor to this area while visiting family, I totally agree with this petition

1

Share

Tweet

Robin Cardillo

Aug 16, 2022

This type of development is happening far too often in the Markham Village and will not add anything desired. It will change the face of Markham and bring unwanted traffic and congestion, which we already have far too much of.

Jini Singh

Aug 14, 2022

I'm signing the petition because I feel 13 stories in the area is too high. I would prefer 6 stories if I can't have Not At All.

Also the traffic is unbearable and too heavy as it is currently.

1

Share Tweet

FARIBORZ FAZILEH

Aug 13, 2022

This proposed 13 story apartment buyiulding is too close to highway 7 and markham road intersection and will add significant congestion to this already busy intersection and would cause significant probelm to the residents.
