Hello  
My name is Eraste NKundumukiza,  
My address is [REDACTED], Markham, ON, [REDACTED].

I am writing to make a deputation in the Winter Maintenance Meeting Special General Committee . On June 19, 2023.

I would like to know why the area around our area does not receive snow clearing.

Of if it is done at all it is done after several days after the snow fall.

Many residents including me have complained to our counselor and to the City of Markham but the situation did not improve.

Is this related to the fact that it is a new construction area and has not been assigned snow removal services. In any case we would like to request that this is be resolved so that we don't get the same underservice next winter.

I may not be available to speak to this deputation but please have it included on the list.
