Subject: 7509-7529 Yonge Street development proposal objection

To whom it may concern:

I am writing to voice an objection to the proposed development at 7509-7529 Yonge Street as it is being presented.

I appreciate the need for renewal in the area and given the approval of the Yonge Street subway extension from Finch Station, it is understandable that lands within walking distance of subway stations will be ripe for development. This is a given. What is not a given is the appropriateness of two 60 storey towers. In no way can the infrastructure as it exists at present absorb the impact of said development.

I object.

Please have the owners and developers of these lands reconsider their plans.

Thank you,

Alison Chong
