Madame Clerk,

I am counsel to McCowan Elgin Developments Inc., the registered owner of the Property. I respectfully request that Development Services Committee defer consideration of the above-noted matter until a meeting in late January or early February. As the staff report notes, the deadline for the City to designate the property is February 22, 2024 so the deferral will not prejudice the City. Our client requests the time to prepare a fulsome response to the heritage analysis which city staff have presented. Thank you.
