PART I - INTRODUCTION

(This is not an operative part of Official Plan Amendment No. 268)

PART I - INTRODUCTION

1.0 GENERAL

- 1.1** PART I - INTRODUCTION, is included for information purposes and is not an operative part of this Official Plan Amendment.
- 1.2** PART II - THE OFFICIAL PLAN AMENDMENT, including Schedules “A” and “B” attached thereto, constitutes Official Plan Amendment No. 268 to the Official Plan (Revised 1987), as amended, and is required to enact Amendment No. 14 to the Cornell Secondary Plan (PD 29-1) for the Cornell Planning District (Planning District No. 29). Part II is an operative part of this Official Plan Amendment.
- 1.3** PART III - THE SECONDARY PLAN AMENDMENT, including Schedules “C” to “E” attached thereto, constitutes Amendment No. 14 to the Cornell Secondary Plan (PD 29-1) for the Cornell Planning District (Planning District No. 29). This Secondary Plan Amendment may be identified by the symbol PD 29-1-14. Part III is an operative part of this Official Plan Amendment.

2.0 LOCATION

This Amendment to the Official Plan (Revised 1987), as amended, and the Cornell Secondary Plan (PD 29-1), as amended, applies to a parcel of land with an area of approximately 7.95 ha (19.64 acres), municipally known as 6950 Highway 7 East, near the intersection of Bur Oak Avenue and Highway 7 East (the “Subject Lands”).

3.0 PURPOSE

The purpose of this Amendment is to amend the Cornell Secondary Plan (OPA 168) to remove the Subject Lands from the Deferral # 2 area and add a site specific policy to permit the development of mixed use buildings with building heights ranging from 4 to a maximum of 32 storeys. The northeast corner of the Subject Lands will also be redesignated from “Institutional” to “Open Space” to accommodate a public park.

4.0 BASIS OF THIS OFFICIAL PLAN AMENDMENT

The Subject Lands are located within the Deferral #2 area in the Cornell Secondary Plan (OPA 168). At the time of approval of OPA 168, the land use designations and policies within the Deferral #2 area were deferred pending completion of a comprehensive development concept which demonstrated a coordinated approach

to the development of all the lands subject to Deferral #2, including a local road network and distribution of parkland. This concept was developed as part of the ongoing update of the Cornell Centre policies in OPA 168. With this Amendment, the Subject Lands will be removed from the Deferral #2 area and the underlying 'Institutional', 'Residential Neighbourhood Cornell Centre', and 'Avenue Seven Corridor – Mixed Residential' designations, will be brought into effect. The Amendment will also add a site specific policy to increase the maximum height allowance to permit a mixed use development consisting of eleven high-rise buildings with building heights ranging from 4 to a maximum of 32 storeys (the "Proposed Development"). The 'Institutional' designation provides for hospital, medical offices and clinics. The 'Residential Neighbourhood – Cornell Centre' and 'Avenue Seven Corridor – Mixed Residential' designations provide for apartment buildings and a range of non-residential uses on the ground floor such as retail, services and offices.

The Proposed Development is consistent with the policies of the Provincial Policy Statement, 2020 (the "2020 PPS") as it is located within a defined Settlement Area and would promote the efficient use of existing resources and infrastructure.

The Proposed Development conforms to the Growth Plan for the Greater Golden Horseshoe, 2019 (the "Growth Plan"). The Subject Lands are located within a delineated 'Built-Up Area', and the Proposed Development would contribute to a range and mix of housing types and non-residential uses, and promote a transit oriented community.

The Proposed Development also conforms to the York Region Official Plan, 2022 (the "YROP"). The Proposed Development is located within the Cornell BRT Major Transit Station Area (MTSA) that has a minimum density target of 200 people and jobs per hectare. The Proposed Development has a locational advantage to support the infrastructure investments within the MTSA and is an appropriate land use intensity for this area.

The Markham Official Plan, 2014 (the "OP") identifies the Subject Lands within the Cornell *Centre key development area*. Section 9.7.8.3 of the OP directs that until an updated secondary plan is approved for the Cornell Centre *key development area* lands, the provisions of the City's 1987 Official Plan, as amended, and the Cornell Secondary Plan (PD 29-1), as amended, shall continue to apply to the Subject Lands.

The Proposed Development is appropriate and represents good planning. The Subject Lands have been identified provincially, regionally, and locally for intensification with a mix of uses. The Proposed Development provides for desired intensification near existing transit routes and existing and future community amenities in a manner that is generally consistent with the pattern of development in the surrounding area.
