Dear Mayor Scarpitti and City Councillors,

I oppose this development because:

- they will be cutting down 650+ mature trees,
- it will ruin the peacefulness of our neighbourhood
- it will destroy the habitat for the wildlife
- it will add traffic to the already congested roads in our area
- it is the wrong location for such a huge development
- years of construction affecting residents & wildlife
- parking shortfall by 325 spots

Respectfully,  
Mei Ng
