Dear Mayor Scarpitti and Councillor Irish,

I am contacting you on behalf of the four constituents I live with on Cottonwood Court.

We oppose this development because:

- they will be cutting down 650+ mature trees (saplings are NOT a replacement for mature trees!) - it will destroy the habitat for the wildlife
- it will add traffic to the already congested roads in our area (I drive this route daily. It is already a nightmare and will worsen with the new developments already approved at bayview & john, Leslie & john, and don mills & Steeles)
- it is the wrong location for such a huge development!
- years of construction affecting residents & wildlife - parking shortfall by 325 spots (there isn't enough parking on Cottonwood for our own residents)

If you approve this development, you will lose our four votes in the next election.

L. Corriero on Cottonwood Court
