Subject: Request for Distribution of Proposal to Council – March 25th Council Meeting

Dear Madam Clerk,

I respectfully request that the attached proposal titled “Stay of Demolition & Approval of Stabilization and Relocation Plan for Munshaw House” be distributed to all Members of Council in advance of the Council meeting scheduled for Tuesday, March 25, 2025 at 1:00 PM. I’ve included some but lack all emails.

This proposal seeks a time-limited extension to finalize a stabilization and relocation agreement related to the Munshaw House. It includes legal and operational protections for the City, outlines a clear work plan, and proposes the redirection of the \$300,000 payment from the developer to fund stabilization efforts. The contents also include a respectfully submitted addendum analyzing the engineering assessment that supported the recommendation for demolition.

Due to the timing of final discussions with the property owner’s representative, I am submitting this material the day before Council with their awareness and acknowledgment of the ongoing dialogue.

I will also be making a 5-minute deputation on this matter during the Council meeting and I will be in attendance.

Please confirm receipt of this letter and the attached proposal and advise whether it has been circulated to Council as requested.

With sincere thanks for your attention,

Barry Nelson
