(7) TRANSPORTATION OF DANGEROUS GOODS (13.0)

Discussion on the matter ensued.

Moved by Regional Councillor Jim Jones

Seconded by Councillor Colin Campbell

Whereas this is Emergency Preparedness Week in the City of Markham; and,

Whereas this municipality takes the safety of its residents very seriously; and,

Whereas the City of Markham maintains a high level of preparedness for its ability to respond to an emergency; and,

Whereas within the City there are major rail lines that draw significant amounts of rail traffic travelling through densely populated areas of the municipality; and,

Whereas there are serious concerns being raised by municipalities across Canada with the substantial increase in the transportation of dangerous goods, especially crude oil and in light of the Lac Megantic tragedy in 2013;

Now therefore be it resolved:

- 1) That this Council calls on the Federal Government, the regulator of rail transportation in Canada, to require that rail cars transporting dangerous goods be routed outside of densely populated urban areas, such as the City of Markham; and,
- 2) That the timetable requiring safety features of those rail cars be significantly reduced and the latest state of the art technology and best safety features be included to ensure highest rail safety in Canada; and,
- 3) That City of Markham request the Federal government to provide information on the goods being transported through municipalities in Canada on a real time basis in order to allow emergency preparedness staff to be able to better respond to an accident; and
- 4) That the rail operators/authorities be requested to ensure train speeds are followed as declared on April 15, 2015; and further,

- 5) That this motion be forwarded to Stephen Harper, Prime Minister of Canada, Lisa Raitt, Federal Minister of Transport, Steven Del Duca, Provincial Minister of Transportation, FCM, AMO, all York Region MPs, all York Region MPPs, York Region Chair, and all York Region municipalities.
