For reference purposes, the following is the notice of motion as given to Council at its meeting held on September 24, 2013:

*"Moved by Deputy Mayor Jack Heath
Seconded by Councillor Logan Kanapathi*

Whereas Markham and its taxpayers are financial guarantors of the Markham Sports, Entertainment and Cultural Centre, which would pose a significant and unnecessary risk for a financially responsible municipality of a limited size like Markham; and,

Whereas the Proposed Financial Framework (PFF) includes a special levy of approximately \$5,000 on new housing units, which is unfair to new homeowners and may also be challenged in court; and,

Whereas the PFF recommends the use of Section 37 money – usually used to enhance neighbourhood parks, trails and other local amenities – for arena construction; and,

Now therefore be it resolved:

- 1) That Markham Council rescind its previous approval of the PFF and all other matters contained in the April 26, 2012 report titled "Markham Sports, Entertainment and Cultural Centre"; and,*
- 2) That Markham Council direct staff to terminate all work and negotiations on operating and cost-sharing agreements within the parameters of the PFF; and further,*
- 3) That Markham Council encourage the proponents and others to explore private funding opportunities for the construction of the building along the lines of the Site Plan already approved."*
