Subject: In support of Councillor Shore's motion: Abolishing the OMB

To the Markham Town Clerk:

I am writing in support of Councillor Howard Shore's dual motion to remove the Town of Markham from the jurisdiction of the Ontario Municipal Board and to ask the Province of Ontario to abolish the OMB.

Since moving into the German Mills area, directly behind Shops on Steeles and 404, I have followed closely the activities of Bayview Summit Development Ltd. in its rezoning application regarding Shops on Steeles, and its appeal to the OMB, which is how I learned how the OMB operates.

You may add my name to any list that you are compiling in support of Councillor Shore's motion. I am a registered, voting member of the community.

Debra C. Saxe
