The Honourable Jim Jones,
Regional Councillor
Markham Civic Centre
101 Town Centre Blvd.,
Markham, ON L3R 9W3

Dear Councillor Jones,

Re: Bury Power Lines - Petitions

Please find enclosed, two hundred and eighteen (218) signed petitions collected from the residents of YRSCC 1183, Circa 2 Condominium.

Further to our recent conversation, I must reiterate that we are truly appreciative of your initiatives in this project and that we fully support your position in this pilot project, with Power Stream.

Suffice to say, burying the power lines between Rodick and Sciberras Road along Hwy 7, will not only beautify the Markham city centre, more importantly, it will also eliminate a huge Health and Safety concern that many of the residents are currently experiencing.

Once again, on behalf of the Board of Directors and residents of Circa2 Condominium, I sincerely thank you for your support, and for looking after our interest and wellbeing.

We look forward to a successful and favourable result from your office soon.

Yours truly,

Alice Lam, President
YRSCC # 1183

RE: “BURY POWER LINES” – on HWY 7

Please support this petition to “Bury Power Lines on Hwy 7”

- It is a Health and Safety concern;
- It is also a “curb appeal” issue for owners and purchasers;
- Together, let’s support councilor Jim Jones in his efforts to expedite Power Stream

Thank you for your support – please sign and return petition to the management office.

埋藏電纜於地底

請支持簽名請願書,要求電力公司將重新安裝七號公路沿線的電纜埋藏於地底。

- 此乃潛在引致影響健康的危機及涉及安全的問題;
- 此乃有外觀之,有損市容,影響樓宇買賣價格;
- 因此,支持萬錦市議員Jim Jones先生與電力公司的週旋,要求將重新安裝於七號公路沿線的 電纜埋藏於地底。

多謝各位通力合作,請簽名支持是項建議,交回管理處。
