Subject: 24 Maple Lane, Unionville, Ontario

I refer to the council meeting yesterday morning.

As my wife and myself own and live on the abutting property at 21 Maple Lane to the west of 24 Maple Lane, we are concerned as to the insurance coverage or lack thereof on 24 Maple Lane Unionville, Ontario and comments made yesterday by the owner.

My wife, Cathy Smelser, made a phone call to an Insurance agent regarding insurance on 24 Maple Lane, and was told by the agent (Co-operators) that there would be no problem for the owner. Mr. Jinli Ding insuring the occupied house fully located at 24 Maple Lane, Unionville and that all the owner has to do to insure the barn is to place a construction endorsement to insure the barn during repairs.
