Re: Retail Business Holiday Act  
Consideration for Sunny Foodmart -7700 Markham Road, Markham, On. Canada

I am writing to request Markham Council support of Sunny Foodmart's application to the Retail Business Holiday Act for exemption at the following location:

- 1) 7700 Markham Road, Markham, ON. Canada L3S 4S1

I believe this location should be open during the 7 statutory holidays (New Year's Day, Family Day, Good Friday, Victoria Day, Canada Day, Labour Day and Thanksgiving Day) as they are within two kilometers from local tourist attractions. I am basing my argument on the same grounds as the successful exemption application at the Kennedy and Denison Shopping Centre.

Sunny Foodmart Markham store has been in business for one year serving Markham's multi-ethnic community for which we are very proud of. Both our customers and workers are supportive of this request made to you.

We would be grateful if members of Markham City Council would endorse Sunny Foodmart's application to York Region for this exemption.

With respect, I request your attention to this matter. I look forward to hearing from Markham Council, and should you require further information please contact me.

Yours sincerely,

Yong Li  
VP Director  
Sunny Foodmart
