Taoist Tai Chi

The religion of Taoism emphasizes spiritual development through cultivation of the mind and body with the ultimate goal of achieving enlightenment. Taoism incorporates three main elements: 1) performing good deeds 2) traditional rituals and ceremonies, and 3) dual cultivation of body and mind. The third approach includes such practices as Taoist Tai Chi, Taoist meditation, and Taoist chanting. Individuals of all beliefs are welcome to become members of the Fung Loy Kok Institute of Taoism. Members will have the opportunity to participate in all aspects of training offered by FLK including Taoist Tai Chi, however, as with any religion, the cultivation of both mind and body and the extent of one's participation is up to the individual member.
