A) Social Planning Council of York Region – Community Conversation on Poverty

Chair Astra Josie Rose advised members that the Social Planning Council of York Region hosted an event in Aurora recently regarding a community conversation on poverty, in conjunction with 360 Kids and York Regional Police. She further advised that the Social Planning Council has reached out to the Race Relations Committee to help them plan an event in Markham for April. Committee members would only be required to promote the event and book an event location.

There was discussion about the nature of the event, such as concerns that the event could turn into an opportunity for individuals to air grievances, rather than it being a constructive conversation about race relations in Markham.
