Dear Sir/Madam:

Re: 7218 Reesor Road, Markham

This is to advise that the Toronto and Region Conservation Authority (TRCA) is the registered owner of the above noted property. The TRCA is proposing to demolish the existing structure, restore all disturbed areas, and convert the existing lands to green space within the Rouge Park. The TRCA will carry out demolition of the house in accordance with Markham Heritage recommendations. The demolition work is to be carried out by TRCA forces.

We trust that this information is satisfactory. However, if you require any further clarification, please contact the undersigned at (416) 392-9724.

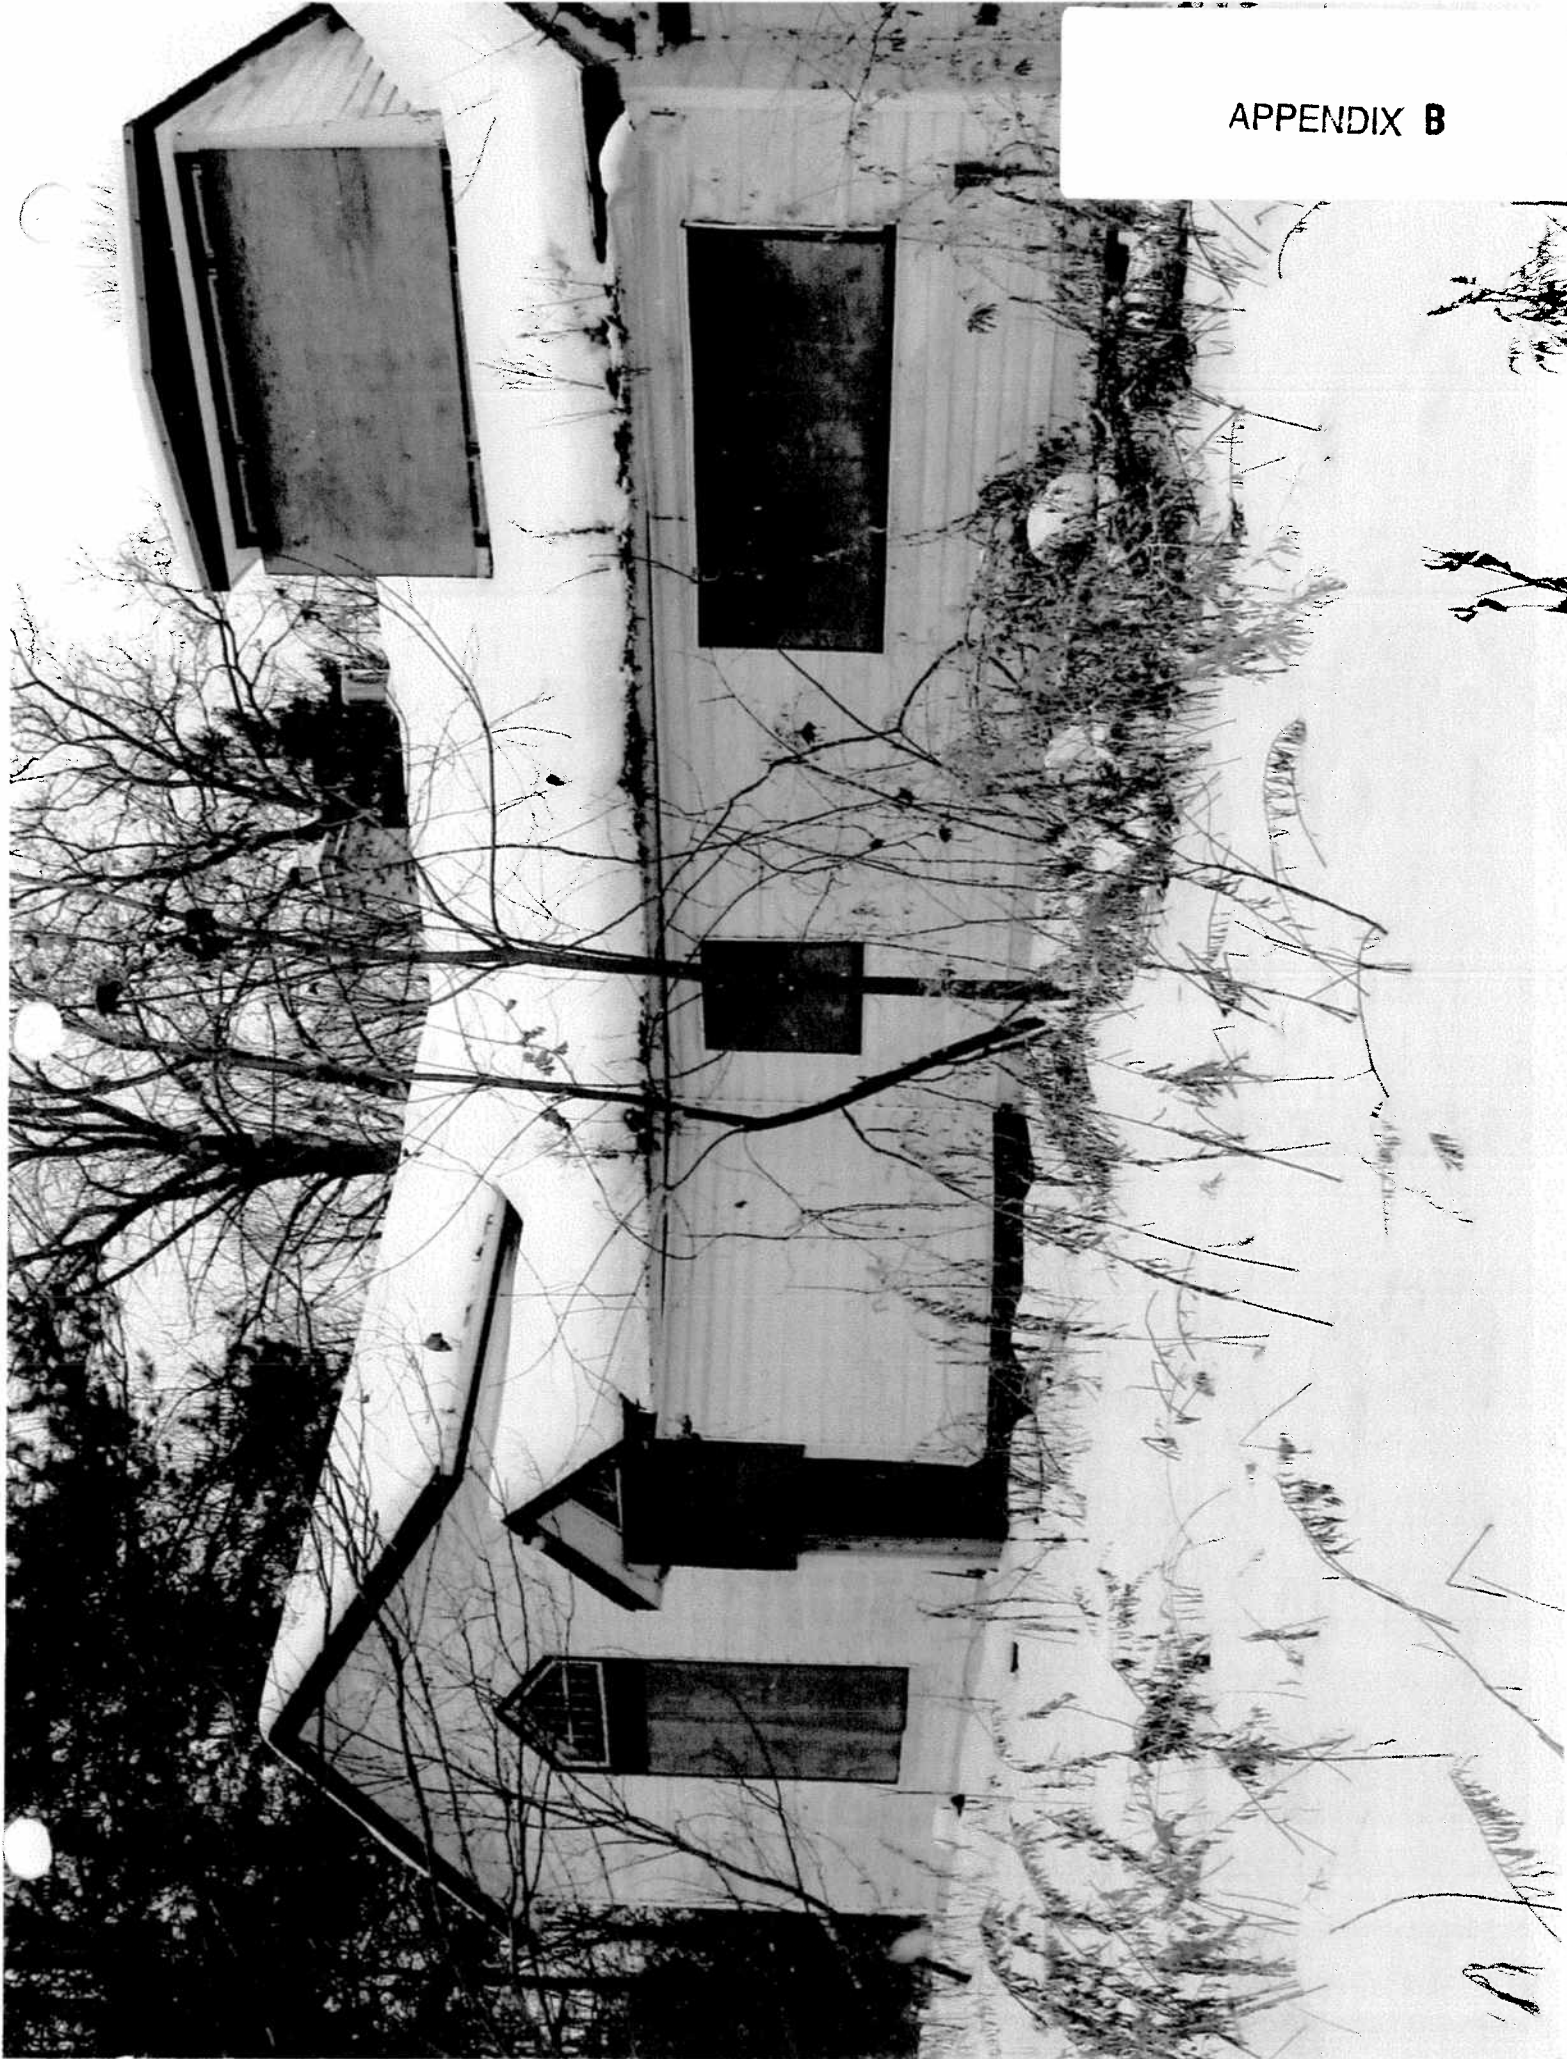

Yours truly,

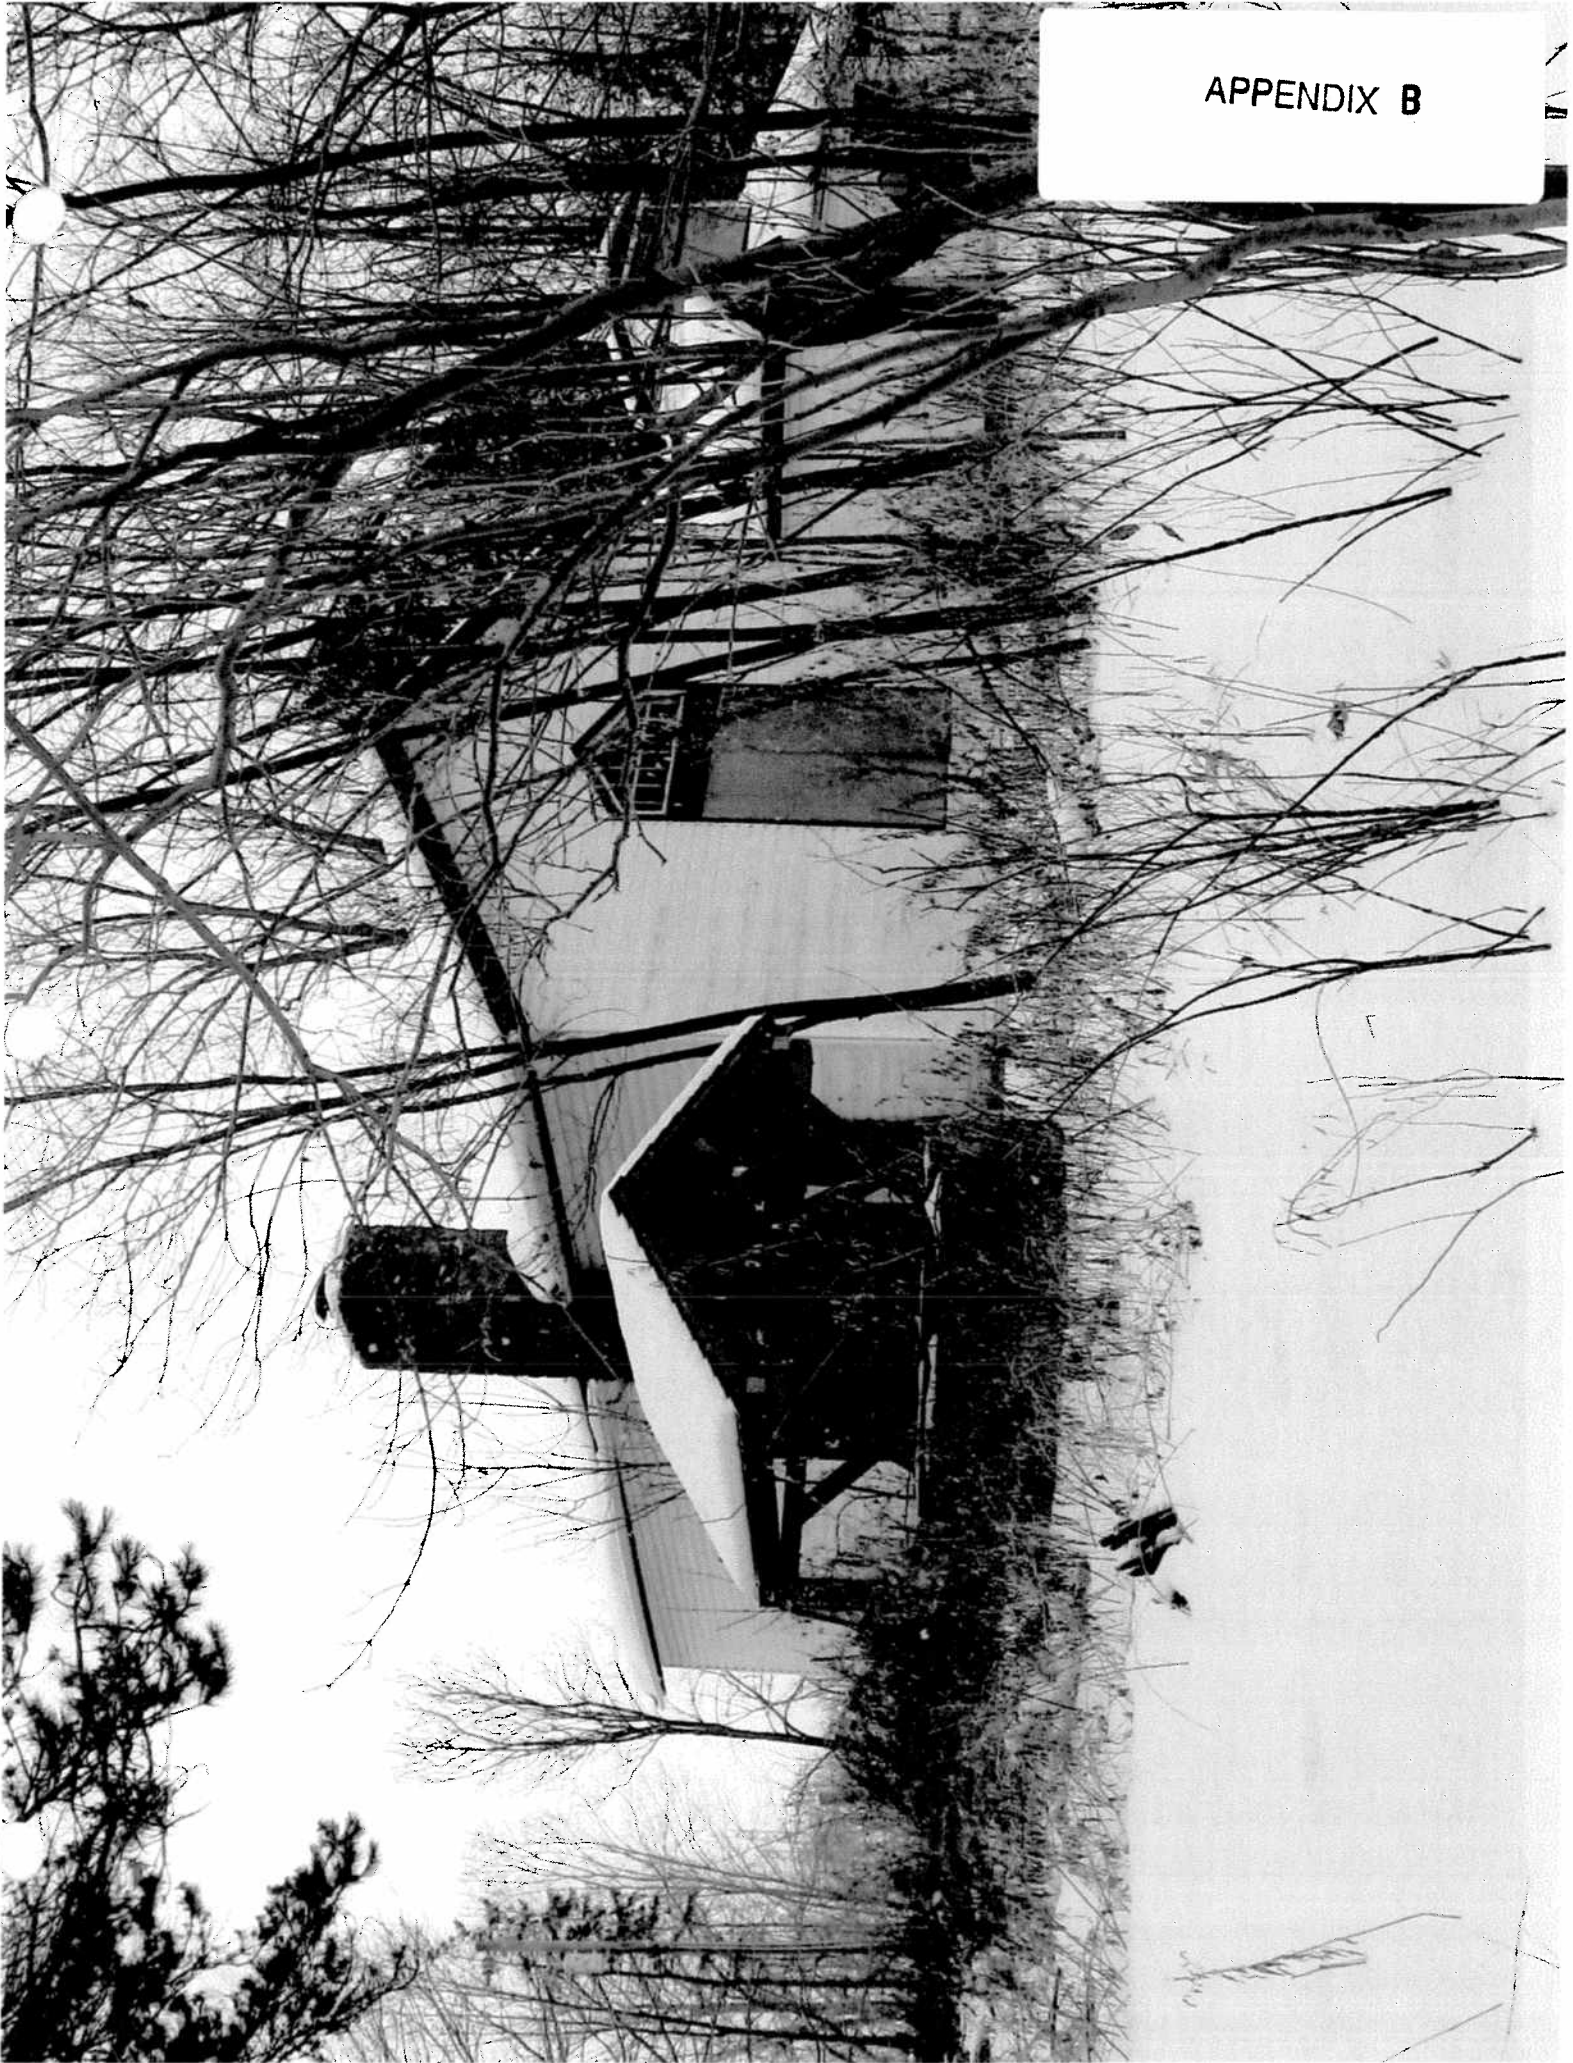

Joe Delle Fave
Supervisor, Construction Projects
Restoration Services Division

HERITAGE MARKHAM RECOMMENDS:

THAT Heritage Markham advise Council that it has no objection to the demolition of the David Whaley house at 7218 Reesor Road provided that the Rouge Park:

- Salvages sound building materials for re-use including early structural beams and floor boards and the triangular transom windows;
- Retains the rubble fieldstone foundation of the original 1868 Whaley House, as well as the wood and fieldstone 20th century wishing well for the purposes of interpreting the site as part of the proposed natural trail system; and
- If the trails system goes near the site, an interpretive panel or cairn be created to honour the Whaley homestead, as well as the former industrial features of the site.
