Subject: FW: Petition to change house number

Dear Mr Horchik,

I was referred to you regarding an addressing change on a home we recently purchased.

I am a resident of Markham and will be moving to a new home in Markham. As I understand there is a petition process we would like to understand to change our house number from 4 Glaceport to 2 Glaceport Crescent. Renata has been helpful in explaining that 2 Glaceport is reserved for the corner lot, however, the corner lot is facing another street Heathfield Ave and has chosen 7 Heathfield as their home address. Given they have selected 7 Heathfield, is there an opportunity for us to take the number 2 Glaceport address. Coming from an asian decent, the number 4 is bad luck for us and would like to understand our options in changing our home address number.

Your help would be greatly appreciated. I have attached the plan and as well a picture of our new home. We will be taking possession of our new home as of June 25, 2010.

Cheers,

Olivia Chiu
