MARKHAM

SPACE RACE

AWARDS DINNER

OPEN TO UP-AND-COMING TECHNOLOGY AND EXPORT
ORIENTED COMPANIES ACROSS ONTARIO

"As Canada's High-Tech capital, we're
delighted to be supporting and encouraging
a growing company in Markham with the
help of our partners, GWL, Jim Brown of
Colliers, FIT by Design, and The Innovation
Synergy Centre. The competition supports
the corporate goals and objectives of each
of the sponsoring organizations and will give
a growing business a chance to thrive."

Mayor, Don Cousens

GOLD SPONSORS

Crechurch International Underwriters

Crechurch provides insurance to Canadian "high-tech" companies and professionals. Crechurch distributes its products exclusively through licensed Canadian insurance brokers.

As a Managing General Agent, (MGA), for Lloyd's of London, and with access to other "A" rated Insurers, Crechurch prides itself on its ability to work with brokers, insureds and insurers to produce the most suitable insurance policies for the "high-tech" world.

For software developers, medical professionals, engineers or management consultants, Crechurch has the insurance protection that they need in today's world. Directors and Officers Liability, Product Liability, Errors and Omissions Insurance, General Liability, Property Insurance protection, whatever your "high-tech" clients' insurance need, Crechurch has a solution.

IN-KIND SPONSORS

Wilson Vukelich LLP Barristers and Solicitors

At 13 lawyers, 20 staff, and growing, WV offers a wide array of legal services. With on-line technology we can rival the biggest firms' "institutional" resources, while maintaining the responsiveness and accessibility (the "edge") that our clients have come to appreciate and rely on. This has allowed us to get and keep good people. Our lawyers are top practitioners in their fields. Our Office Services group keeps us all running "in synch"; lawyers, clerks, conveyancer, management and administrative staff. Our lawyers can thus focus on what they do best, and what our clients really need them to do.

PROUDLY SUPPORTED BY

National Research Council of Canada

The National Research Council's Industrial Research Assistance Program (NRC-IRAP) is Canada's premier innovation assistance program for small and medium-sized Canadian enterprises (SMEs). NRC-IRAP is a vital component of the NRC and a cornerstone in Canada's innovation system.

Delivered by more than 235 Industrial Technology Advisors (ITAs) in 90 communities across Canada, the program provides innovative SMEs with access to technological and business advice as well as financial assistance and a range of other types of innovation assistance. The program's aim is to assist SMEs in turning their knowledge and innovations into significant opportunities for company growth, thereby creating jobs and prosperity for all Canadians.

MEDIA SPONSOR

Rogers Television

Rogers also believes that television has the power to bring communities like yours together. That is why, for nearly 34 years, Rogers has invested in the creation and ongoing development of Rogers Television. This unique local television service is available exclusively to Rogers Cable customers, as part of the basic cable service.

Rogers Television strives to be the leading provider of screen-based local information and entertainment. Every year, our stations produce over 19,000 hours of informative local programming involving over 12,000 community groups, underlining our commitment to our communities and to the objectives of the Canadian Radio-Television and Telecommunications Commission's policy for community-based media. Each one of our 31 Rogers Television stations operating in Ontario, New Brunswick and Newfoundland is an active and involved member of its local city or town, providing timely and relevant programs about local matters.
