Re: Langstaff Community Association and By-law 25551

Dear Ms. Birrell:

Following a meeting of the Langstaff Community Association Inc. held October 5, 2005, attended by Regional Councillor Bill O'Donnell and Councillor Stan Daurio, and after presentations by the Executive Co-Ordinator of York Region Transportation and Planning, Markham Director of Engineering and the Director of Regional Services for the Regional Municipality of York, it was suggested that the Members of the Langstaff Community Association approach Council with respect to the Compliance Orders that had been served, and would continue to be served.

To this end, the undersigned has been retained to make a presentation to Council to outline some of the issues involved, seek participation of the Langstaff Community Association Inc. in the future planning of the Langstaff area, where options are still open, and to seek a mutually satisfactory solution to the issues that face the Town and the owners of lands and businesses in the Langstaff area.

I would therefore request an appointment to address Council on these issues at a time and place of Council's convenience. At a recent meeting of the Langstaff Community Association Inc. many of the owners of lands and businesses expressed a strong desire to be in attendance at any such presentation, so the Council Chambers would appear to be a suitable venue. I thank you for any attention you can direct to this request.

Yours very truly,

CATTANACH HINDSON SUTTON VanVELDHUIZEN
