Attn: Town Clerk

Dear Sir/Madame

On behalf of the Trustees of the Thornhill Cemetery I would like to formally request that the Town of Markham assume responsibility for the care and maintenance of the Thornhill Cemetery and other assets of the Trust. I wish to confirm that on August 11, 2010 we, the Trustees, met with Kimberley Kitteringham, Stephen Huycke and Lorne Smith to request the transfer of all of the Trust's assets to the Town at the end of our current operational year. (November 15, 2010).

We feel that we must make this request because of the retirement of board members and the inability to find new volunteers.

Because the cemetery is of historical importance to Thornhill and is used by Thornhill residents as a park, we request that it be maintained as carefully as it is being maintained now.

Yours sincerely,

*Marion Zeltins*

Secretary of the Trustees of the Thornhill Cemetery
