Exceptional Services by Exceptional People

We will foster a safe and healthy work environment, and embrace an organizational culture and adopt management systems that empower and inspire our employees to be champions of excellent service delivery and innovative practices.

Engaged, Diverse and Thriving City

We will have an inclusive city, where every person has a role in building a liveable, caring and interconnected community. We will enable a strong economy and effectively manage change while respecting our community's history, meeting current requirements and anticipating future needs

Safe and Sustainable Community

We will protect the public and respect the natural and built environments through excellence in sustainable community planning, infrastructure management, and programs.

Stewardship of Money and Resources

We will demonstrate sound, transparent and responsible financial and resource management to mitigate risks while ensuring efficient and effective service delivery.
