A Petition

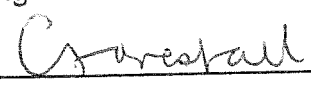

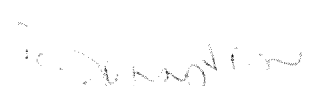

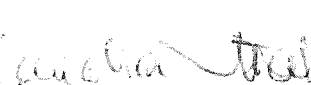

To restrict left turns on Berczy Gate from northbound 9th line between the hours of 7am and 9am Monday - Friday

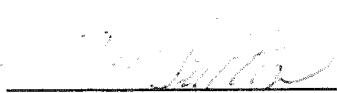

Since September 2013, it has become apparent that northbound traffic on 9th Line is using Berczy Gate and the north section of Senator Reesor's Drive as a short cut to points north and west - probably to access MDHS - rather than progressing to the traffic lights at Hwy 7 where York Region expressly extended the left turn light to avoid this situation.

Recently we narrowly avoided what could have been a serious tragedy; one of our residents stopped to allow a man and his two children to cross Senator Reesor's Drive at the west end of Henry Corson, when a vehicle, with a complete disregard for basic traffic laws, passed on the left at well over the posted limit and barely avoided running down the pedestrians.

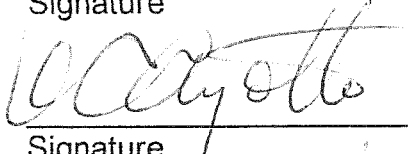

Before this near miss turns into a tragic accident, we urge the City of Markham and the Region of York to implement a bylaw to restrict left turns from northbound 9th Line to Berczy Gate between the hours of 7am to 9am Monday-Friday.

We the undersigned, residents of Senator Reesor's Drive, Henry Corson Place and John Dexter Place, therefore request that this restriction be implemented as soon as possible.

A Petition

To restrict left turns on Berczy Gate from northbound 9th line between the hours of 7am and 9am Monday - Friday

Since September 2013, it has become apparent that northbound traffic on 9th Line is using Berczy Gate and the north section of Senator Reesor's Drive as a short cut to points north and west - probably to access MDHS - rather than progressing to the traffic lights at Hwy 7 where York Region expressly extended the left turn light to avoid this situation.

Recently we narrowly avoided what could have been a serious tragedy; one of our residents stopped to allow a man and his two children to cross Senator Reesor's Drive at the west end of Henry Corson, when a vehicle, with a complete disregard for basic traffic laws, passed on the left at well over the posted limit and barely avoided running down the pedestrians.

Before this near miss turns into a tragic accident, we urge the City of Markham and the Region of York to implement a bylaw to restrict left turns from northbound 9th Line to Berczy Gate between the hours of 7am to 9am Monday-Friday.

We the undersigned, residents of Senator Reesor's Drive, Henry Corson Place and John Dexter Place, therefore request that this restriction be implemented as soon as possible.

Hi Gord,

Sorry I missed you on Tuesday. I would absolutely like to be included in the petition. I agree with my sister, Wendy, that the no left turn restriction should be enforced during morning and afternoon rush hours.

Thanks for your involvement in the neighbourhood!

Hi,

I just missed you yesterday as my timing was bad and you were rushing to leave.

I left some information with your son as to the reason for my call.

We have a serious issue with inflow traffic using the north section of Senator Reesor's as a short cut to MDHS. Some of these drivers are ignoring stop signs at Berczy and Henry Carson and speeding through the neighbourhood.

We are planning to ask the City to install a No Left Turn 7-9AM Mon-Fri sign from Northbound Ninth Line at Berczy Gate so that these drivers will have to go to the left turn right at Hwy 7 and stop cutting through.

If you agree that this would be a start to reducing traffic in your neighbourhood, could you please indicate that you are in favour (or not) via return email so I won't have to keep trying to catch you?

Thanks,

Gord

To: Gord Walter

Hi Gord, my son came to get me when you called, I was getting changed and late for my daughter's hockey game.

I am in agreement with a no left turn 7-9am but do utilize Berczy Gate to reach my home daily. However, I would not support an extended no left turn, since this would limit my ability to access my own community after work or throughout the day for that matter.

Please add me to the petition

Sandy,

Thank you for your support.
Can I ask you two questions;
1.) Is 66 currently empty? I know that it recently sold but I don't know if the new owners have moved in yet.
2.) would you consider re joining our association? If I recall, your email was compromised some time ago and we were unable to stay in contact.
