Subject: PESTICIDE BYLAW

To the Mayor and Members of Council

Dear Sheila,

Please would you forward my letter to council for the April the 2nd meeting.

I hope that this meeting will finally put the BY LAW AGAINST PESTICIDES into action. It has been long overdue. Now is the time to put a stop to these horrible pesticides. With summer coming we are looking forward to the warm weather, please, please, please BAN PESTICIDES and make our community a happy and safe one, and one that can be proud of our members of council.

I wish that I could attend the meeting, but unfortunately due to prior committments I am unable.

Thanks

Avril Casper
