

Bullock / McCowan Intersection Improvement

Bullock / McCowan Intersection Improvement

- Dual eastbound left turn lanes on Bullock Drive to northbound McCowan Road
- Preliminary design underway
- Pending approval of the Parking Structure, detail design will proceed in fall/winter 2006.
- Intersection improvement will be completed prior to the opening of the Parking Structure, anticipate construction in Summer 2007.

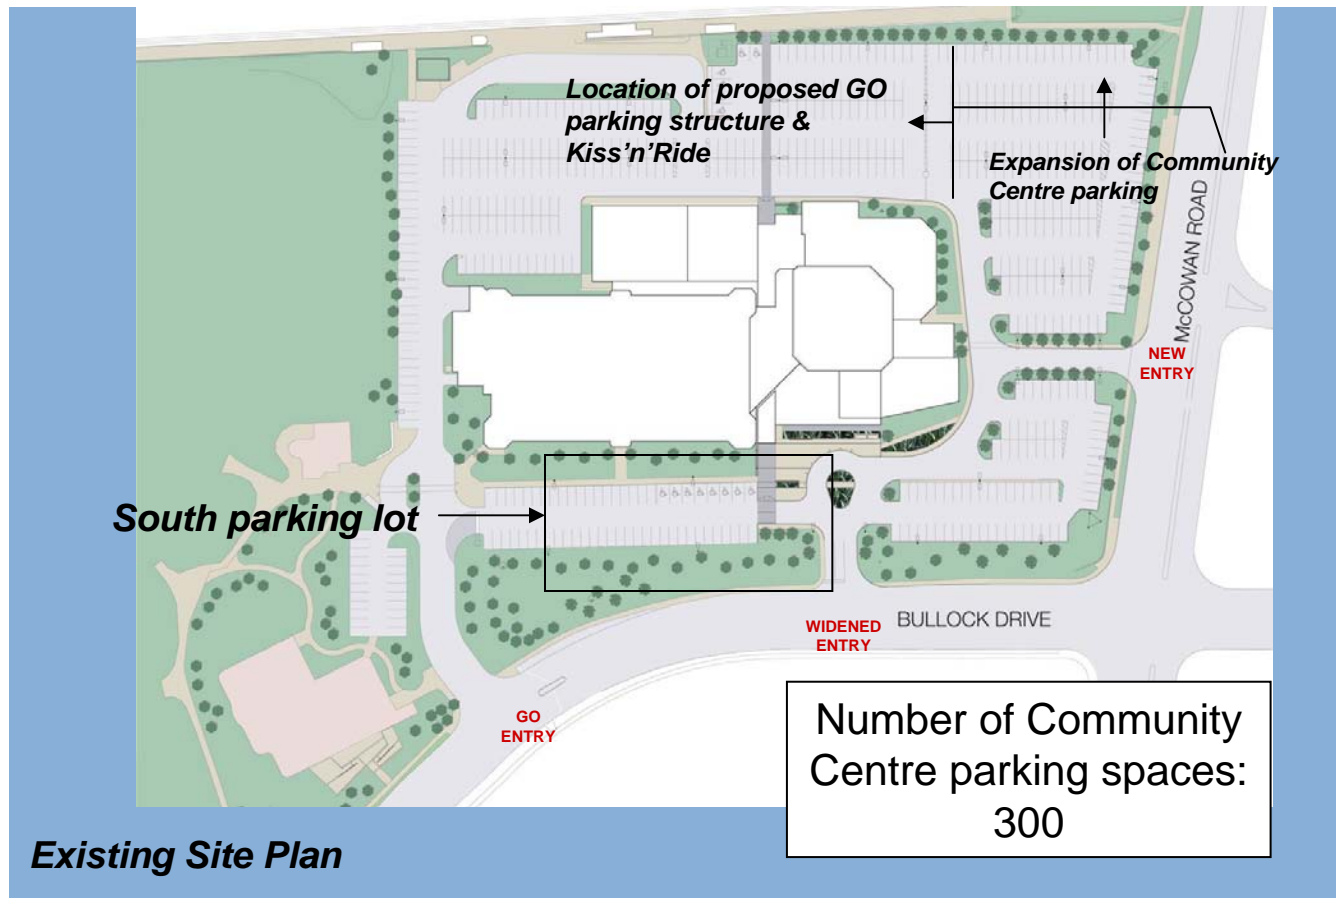

Centennial CC – South Parking Lot Redesign

GOALS:

- Improve site circulation due to higher traffic from future GO Transit parking structure
- Pedestrian safety
- Improve drop off area at main entrance
- Maximize parking spaces at south-west parking
