

REQUEST FOR INSTRUCTION OF SANITARY SEWERS

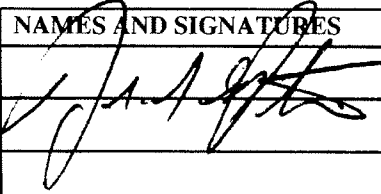

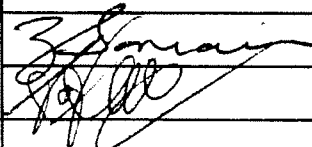

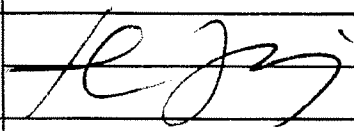

To: The Council of The Corporation of the Town of Markham

Re: Milmar Court
Proposed Sanitary Sewer Construction

The undersigned owners of lands abutting directly on the proposed work referred to above:

- 1. Request the Town of Markham to initiate proceedings to design and install sanitary sewers on Milmar Court;**
- 2. Acknowledge that the current estimated cost of the proposed sewer is \$192,000 excluding GST;**
- 3. Acknowledge that the cost of the proposed sewer will be allocated equally to each benefiting property, estimated at approximately \$32,000 excluding GST, not including any pump, plumbing, landscaping or repair to structures or landscaping, that is situated on private property;**
- 4. Acknowledge that the cost of the sanitary sewers will be collected from the six benefiting property owners that are referred to below ("the Benefiting Property Owners") and that if the Town of Markham permits, the cost thereof will be deferred and the repayment, including interest at a rate to be determined by the Town, secured by a by-law enacted under s. 391 of the *Municipal Act*. The Town will be requested to grant approval to have the cost of the sewer installation project amortized over a period of Fifteen (15) years in view of the extraordinary cost of this project.**
- 5. Acknowledge the Town's representation to the Benefiting Property Owners that in the event that the property owner of 1 Milmar Court ("One Milmar Court") becomes a benefiting property owner at any time in the future, the Town of Markham will recover an amount that reflects an equal share of the cost for the sewer installation that will then be attributable to One Milmar Court in the manner set out herein and, will then readjust the allocation of the cost that is attributable to each of the Benefiting Property Owners so that each of them is fully credited for their respective share of the amount of the contribution to the cost by One Milmar.**
