Attention: Councillor C. Moretti

Dear Carolina-

Please accept this letter on behalf of the members of the Markham Seniors Activity Centre who wish to take this opportunity to thank the Mayor and all Members of Council for their approval of our request for a Senior Grant. As a matter of interest, the money has been put to good use as four new computers have been purchased and will soon be in place. We hope to place a number of "wired Seniors" into the community in the near future.

Again thank you, we are most appreciative of this gift.

Gail D. Leet  
President
