

To:

Mayor Frank Scarpitti and Members of Town of Markham Council

I wish to thank Your Worship Mayor Frank Scarpitti and the entire Town of Markham Council for the wonderful experience you provided to Mayor Hermann Faul, Members of the City Council, the Kabenkapelle Nordlingen Youth Orchestra and other Residents of Nordlingen this past September. We all received a wonderful introduction to your beautiful and outstanding community of Markham.

I particularly wish to thank you for naming a future street in my name. It was an overwhelming experience to receive such an honour.

This flower arrangement in the crystal vase that displays our two City Halls is a small token of appreciation.

I wish everyone in Markham a wonderful Christmas Season and a very prosperous New Year.
